

STARK COUNTY IS NOW AT

PUBLIC EMERGENCY LEVEL 4

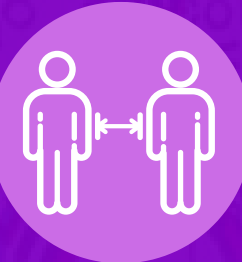

HOW CAN I HELP SLOW THE SPREAD OF COVID-19?

Wash your hands frequently for at least 20 seconds with soap and warm water.

Wear a mask or facial covering to prevent the spread to others.

Keep a social distance of 6 feet between you and others when you have to be in public.

Stay home if you are sick, only leave home for necessary travel (i.e. groceries, pharmacy or seeking medical attention), and do not host or attend gatherings.
