A Message from Mrs. Montgomery

Greetings!

We are well into our second week of school. All is FABULOUS at SS Philip and James. Routines are set, schedules are finalized, teachers and students are "settling in". It is so nice to be a part of this wonderful place. WOW, our school looks different through the principal's view. Science taught with bubbles, Religion learned with song, Vocabulary reinforced through Google Slides, Math reviewed using individual whiteboards. The SPJ teachers are so creative and have a way of making learning fun!! Thank you for choosing SS Philip and James School. And parents, thank you for sending your very best everyday!!

Drop Off and Pick Up Procedures

Attention All Car Riders and Walkers

Please review the following procedures to ensure safety with SPJ Drop Off and Pick Up.

Drop Off- We are in the process of creating a Drop Off Zone in the front of the school. Soon this will be permanently painted. Drop off vehicles are asked to pull off the road and into the Drop Off Zone for safety reasons. Mrs. Montgomery and Mrs. Wolfe will be available to help with easy transport into the school building.

Pick Up- All vehicles arriving for pick up will be parked in the parking lot across from SS Philip and James School. Parents/guardians may leave their cars to meet their children on the sidewalk or remain in their vehicle. Mrs. Flory and Mrs. Montgomery will walk students across the street to meet parents/guardians. **All Cars will remain PARKED until the Green sign is displayed.** Drivers, please adhere to the green sign to keep all students and families safe. Thank you for your cooperation!!
