***Special Edition* News & Notes September 9th, 2020**

From the Principal

Attention Regina Coeli families! A strong line of communication is crucial every year, especially this school year. Through our FACTS program, we can quickly send our parent alerts via phone calls, emails, and texting. If you have not received a call from Regina Coeli School, we ask that you please make sure your information is updated with the office. Current families should have received a phone call from me this past weekend. If your family did not receive this call, we may need updated contact information for your family. To update your information, you can call the school at (330) 823 – 9239. Mrs. Lemaster will be more than happy to help you.

God bless you all and enjoy your weekend.
-Mr. Mario Calandros

Home & School:

-This month we are sending out information for a facebook group page for Home and School. This group page is going to be for Home and School volunteers to communicate about upcoming event plans. Not everyone will be able to make it to every meeting so the hope is this page will make it easier to share the minutes from the meetings, and keep us all connected throughout the year. This page is in addition to other communications and will not replace your preferred means of communication. To accommodate everyone, minutes and any other information that needs sent out will still be sent out via everyone's preferred communication. Thank you,
Stephanie Phillips
