

## Demonstrating Readiness

[Ohio Revised Code sections 3313.618 and 3313.6114](#)

In addition to fulfilling curriculum requirements and meeting the competency requirements listed above, students also must show they are prepared for their next steps after high school.

State law created 12 diploma seals for students to demonstrate academic, technical and professional readiness for careers, college, the military or self-sustaining professions. Each seal allows students to demonstrate knowledge and skills essential for future success in their chosen post-high school paths.

Students will demonstrate readiness **by earning at least two diploma seals, one of which must be state defined**. Seals help students develop an array of critical skills that are valuable to them as they transition to the next steps after high school.

Schools should consider encouraging students to pursue seals that meet their individual interests and skills. [Graduation planning](#) will be an important step in supporting students in earning their seals.
