Energy Leadership Scholarship

2020 Application Packet

Deadline: April 1, 2020

Energy Leadership Scholarship

BACKGROUND

Energy Optimizers will present the Energy Leadership Scholarship to students in your district this year. The awards will be granted for use for college tuition and expenses to deserving students who have demonstrated outstanding energy leadership, knowledge, and an interest in continuing their energy studies for the purpose of seeking a career in an energy-related field. All scholarships will be awarded to students who plan to enter the energy field or public service related to energy.

EFFECTIVE LEADERSHIP

This scholarship is designed to honor students demonstrating effective leadership skills and energy knowledge throughout their high school careers.

The following are examples of traits the scholarship committee will consider as it chooses recipients of the scholarships:

- An effective leader who leads by example and is well respected by his or her peers.
- An encouraging facilitator who serves as a team leader.
- A leader who creates excitement and motivates others to accomplish great things.
- A leader who demonstrates energy awareness at home, school and in the community and educates others about energy.
- A student who is knowledgeable about energy and has taken the time to not only be a leader of energy activities but has developed a knowledge base about energy and important energy issues.
- A student who is a graduating high school senior in 2020.
- A student showing interest in pursuing a career in an energy-related field.

ELIGIBILITY REQUIREMENTS
