**BULLYING REPORT**  
**CIRCLEVILLE HIGH SCHOOL**

**4 Total Incidents:**

Conferences with Dean of Students and/or Principal  
Calls to Parents / Parent Meetings  
Suspensions from school/In-School Suspension  
5 Days of ISR Total  
6 Days of Out of School Suspension Total  
1 Student Placed at the Alternative School

**Incident Detail**

1. A student made a threat to a student with Autism. This was not the first incident with this student intimidating or threatening this student. Based on previous behavior and this incident, the student's mother came in to discuss her son attending the Alternative School for the remainder of the school year.
2. Students were commenting on a student who just had a baby. Another female student overheard their conversation and was upset based on them making fun of her having a baby. Parents of the students were called and spent the remainder of the day and the next day in ISR.
3. Students made rude and inappropriate sexual connotations toward another student that made him feel uncomfortable. The student's parents were called. After meeting with the students, one student initiated the inappropriate comments and he received a three-day suspension. The other student spent two days in IRS. A meeting was scheduled with the victim's grandmother to discuss the situation and how we will move forward after this incident.
4. A student wrote inappropriate/sexual things to two female students. The students were extremely upset with what was written. They shared that this was not the first time this student has written inappropriate things. The previous times were on SnapChat/Instagram. The student's parents were called and he received a three-day suspension.
