1. 1/3 cup baking soda.

Salt Dough Craft for Kids

Inspired by
Niki de Saint Phalle

Homemade Salt Dough

Mix together:

2 cups all-purpose flour

1 cup salt

Up to 1 cup of water (add slowly as you may need less)

Knead the mixture into a dough and get creating. (too sticky add a little flour)

Let air dry or in the oven at 250 degrees for 1-2 hours

Paint dried creations.

Homemade Bubbles

What You Need:

- Liquid dish soap (Joy or Dawn brands work best. Try to find one that doesn't say 'Ultra')
- Distilled water (tap water is okay, but distilled water makes the best bubbles)
- Clean container with lid
- Glycerin or light corn syrup

What You Do:

1. Measure 6 cups of water into one container, then pour 1 cup of dish soap into the water and slowly stir it until the soap is mixed in. Try not to let foam or bubbles form while you stir.
2. Measure 1 tablespoon of glycerin or 1/4 cup of corn syrup and add it to the container. Stir the solution until it is mixed together.
3. You can use the solution right away, but to make even better bubbles, put the lid on the container and let your super bubble solution sit overnight. (Note: If you used "Ultra" dish soap, double the amount of glycerin or corn syrup.)
4. Dip a bubble wand* or straw into the mixture, slowly pull it out, wait a few seconds, and then blow. How big of a bubble can you make? How many bubbles can you make in one breath?

*You can make your own bubble wand by cutting off the end of the bulb of a plastic pipet. Dip the cut end in solution and blow through the narrow end.

Kindness Rocks

How Do You Make a Kindness Rock?

1. Find your desired **rock**. Wash with soap and water.
2. Once the **rock** is dry, paint the top with a base coat of paint—pick any color you like. Acrylic paint is best.
3. When the base coat is dry, add a fun design, or write a positive note like, "Be the Change" on each one.
