SCHOOL-BASED COVID-19 VACCINATION CLINIC CONSENT

The Pickaway County Health Department is offering students an opportunity to receive the Pfizer-BioNTech COVID-19 vaccination through a school-based vaccination clinic. Vaccination at the clinic is voluntary and available to all students, ages 12 -17 years of age. Parents/guardians are always welcome at the appointments, but are not required to be present.

All students under the age of 18 years will be required to have a written consent form from a parent/guardian at the time of appointment. If a student does not have a signed consent form at the time of appointment, we will be unable to administer the vaccination. In addition, your student's appointment may be delayed if there is missing information, or if information is illegible.

Please complete the following:

- ☐ Review the Pfizer-BioNTech COVID-19 Patient Fact Sheet/Emergency Use Authorization sheet.
- ☐ Complete the COVID-19 Vaccine Registration Form for the child being vaccinated. Please be sure to sign and date at the bottom.
- ☐ Complete and sign the additional consent form below.
- ☐ Return the registration and consent form to your child's school building and/or send printed forms with your student.

In the event I, _____, cannot accompany my student,
(parent / legal guardian)

_____, _____ to their vaccination appointment(s):
(Student's name) (date of birth)

☐ I give consent to the PICKAWAY COUNTY HEALTH DEPARTMENT to administer the Pfizer-BioNTech COVID-19 vaccination series to my student, as well as administer any medically necessary emergency medical care and/or evaluation to my student in the event they were to experience a rare and unexpected allergic or adverse event following vaccination.
