Based on positive feedback from stakeholders, the Board approved to adjust the beginning of the school day for middle school students to 8:20 a.m. and ending at 3:20 p.m.
- B. Dr. Sean McWherter presented information on possible changes to the school calendar. The proposal shared at the June meeting reflected changes to better align with college and university course options, an opportunity to conduct high school exams before winter break, along with enhanced opportunities for students at the end of the school year. Recent guidelines received from the NC Department of Public Instruction eliminate important features of the calendar design that will require additional review. Based on this new information, the previously approved 2018-2019 school calendar remains, and the calendar committee will continue to study options to best serve students.
- C. Dr. Drew Maerz presented the following policies which are recommended for 30-day review:
 - Policy 3200 – Selection of Instructional Materials
 - Policy 4400 – Attendance
