Course Change Policy

The courses selected will determine the master schedule of classes for the next year. **Registration in a course requires a commitment on your part to that course.** You have freedom of choice regarding the classes you and your parents select for the coming school year.

Changes will be considered for the following reasons only:

LACK OF REQUIRED COURSE: If you are missing a course that is a graduation requirement OR you failed a mandatory course and need to repeat the course.

FAILURE TO MEET PREREQUISITES: If you registered for a course, but failed to meet the prerequisites mandatory for that course.

PROCEDURAL ERRORS: A course code incorrectly inputted.

SUMMER: Students who complete a course for credit recovery or CCP in summer school for which they are scheduled will be permitted to substitute another class for that course only.

CCP: Registered for an equivalent CCP course.

College Credit Plus

This program permits any qualified students, grades 7 through 12, to enroll in college on a full or part time basis for nonsectarian courses for which they may receive high school and/or college credit. College Credit Plus courses can be taken in the summer or either semester with a maximum of 30 semester hours per year. Complete information regarding this program will be available to parents during CCP night on **Wednesday, February 19th at 7:00 PM in the auditorium**.

All signed CCP forms due to the Guidance Office on or before **April 1st**.

Senior Scheduling Reminders:

- Every effort will be made to ensure that students are properly placed in the classes that they request during the registration process. However, if there are conflicts in class periods priority will go to core courses and courses required for graduation.
- Students and parents must give serious consideration now when selecting courses. **Schedules are not changed unless one of the following criterion have occurred:**
  - Lack of a required course
  - Failure to meet a prerequisite
  - Course completed in summer
  - Procedural error
  - Registering for an equivalent CCP course
- All students need to be aware of their graduation requirements including 20 credits and testing requirements.
- All students must be passing the equivalent of five courses for eligibility and full-time student status. (PE does not count towards eligibility)
- If students plan to enroll in CCP, CBI, CAT, or BDA courses all paperwork and approval must be completed by the student and parent on or before necessary deadlines. Please list these intentions below in the "Notes to Counselor" box below.

Review your Course Selection Form with a parent/guardian and return both to your English teacher by Friday, February 21st. If your form is not turned in and signed by the deadline, you risk having a schedule assigned to you without your input.
