

Bath Education Association Scholarship Guidelines

It is the intent of the Bath Education Association to provide additional funds for one or more of our graduates to attend some post-high school training. The applicant(s) who exhibit the qualities of a well-rounded student will be judged the best qualified. The areas of academic performance and service to the school and community will form the criteria for such a scholarship.

Any senior of Bath High School who has been accepted by an accredited school for post-high school education by or before March 31st of his/her Senior year, shall be considered upon application. Applications will be available in the guidance office. Applications must be turned in to the guidance counselor by **April 15** *If all parts of the application are not included, the application will not be considered.*

The winner(s) of the scholarship(s) will be announced at the senior breakfast. The money will be paid directly to the applicant upon entering the second quarter/semester of post-high school training. It would be up the individual to provide the association with a transcript of his/her first semester, when completed.

The recipient(s) will be selected by a committee of teachers who have been selected by the association. The committee bases its decision on the four criteria in this application, weighted equally- grades, service, reference recommendations, and essay. The letters of recommendation and the answer to the essay question are viewed the most strenuously.

Application forms, references, and essays must be in the possession of his/her guidance counselor by 3:00 p.m. by the **last Friday in April.**

CHARACTER:

List the names of two (2) persons you have contacted to write a recommendation for this scholarship for you. These references should be from people who know you well, for example, your employer, scout leader, or parish priest/minister. This excludes relatives, current and former employees of Bath Schools, board members or former members, or anyone whose association with the school is through extra curricular activities. (It is suggested you choose people who deal with many youth, not necessarily the neighbor or a parent of a friend.) Give each reference person the recommendation forms (received with this application). It is wise to include a stamped envelope that is addressed to the guidance counselor at the high school so that your reference may return their recommendation to the counselor before the end of April.
