APOLLO CAREER CENTER

ADMISSIONS REQUIREMENTS:
All applicants must meet the following general admission requirements:

Unconditional Admittance:
A minimum of eight (8) total credits in academic courses required by the State of Ohio for a high school diploma (commonly known as the Ohio Core), consisting of: Two (2) English credits, two (2) Math credits, one (1) Science credit, one (1) Social Studies credit, and two (2) additional state required courses.

Summer school credits earned after the end of the tenth grade count towards admittance, as long as the local school records the credit on the student transcript no later than one week before the opening of the Apollo high school year.

COLLEGE CREDIT: Students may want to take advantage of CCP classes and attend Apollo Career Center for a program. Students can obtain cost-free college credit through articulation agreements with many colleges, and Technical Credit Transfers are also available through Apollo programs. This gives students a head start if they choose to go on to college after graduation. Students can decide what is best for them, whether it is going right to work or continuing their education after high school graduation.

CREDENTIALS & CERTIFICATIONS: In addition to receiving college credit for Apollo programs, certifications and credentials can be earned. The industry recognized credentials vary by program. Some industry credentials can be earned in a first year of a program and in a second year of a program. For more information, please visit www.apollocareercenter.com.

ADMISSION STANDARDS: Students need: 2 credits English, 2 credits math, 1 credit science, 1 credit social studies and two additional state required courses for graduation.

Apollo offers 20 programs for high school students in which students earn 3 credits for their program. (Students also earn academic credits at Apollo.)

COUNSELOR RECOMMENDED PROGRAMS
Career Explorations – Sophomores only (4 Credits-minimum)

Course Change Policy

The courses selected will determine the master schedule of classes for the next year. **Registration in a course requires a commitment on your part to that course.** You have freedom of choice regarding the classes you and your parents select for the coming school year.

Changes will be considered for the following reasons only:

LACK OF REQUIRED COURSE: If you are missing a course that is a graduation requirement OR you failed a mandatory course and need to repeat the course.

FAILURE TO MEET PREREQUISITES: If you registered for a course, but failed to meet the prerequisites mandatory for that course.

PROCEDURAL ERRORS: A course code incorrectly inputted.

SUMMER: Students who complete a course for credit recovery or CCP in summer school for which they are scheduled will be permitted to substitute another class for that course only.

CCP: Registered for an equivalent CCP course.

College Credit Plus

This program permits any qualified students, grades 7 through 12, to enroll in college on a full or part time basis for nonsectarian courses for which they may receive high school and/or college credit. College Credit Plus courses can be taken in the summer or either semester with a maximum of 30 semester hours per year. Complete information regarding this program will be available to parents via a virtual presentation.

https://www.youtube.com/watch?v=mNkF6B4uOgk

All signed CCP forms due on or before April 1st.

Senior Scheduling Reminders:

- Every effort will be made to ensure that students are properly placed in the classes that they request during the registration process. However, if there are conflicts in class periods priority will go to core courses and courses required for graduation.
- Students and parents must give serious consideration now when selecting courses. **Schedules are not changed unless one of the following criterion have occurred:**
  - Lack of a required course
  - Failure to meet a prerequisite
  - Course completed in summer
  - Procedural error
  - Registering for an equivalent CCP course
- All students need to be aware of their graduation requirements including 20 credits and testing requirements.
- All students must be passing the equivalent of five courses for eligibility and full-time student status. (PE does not count towards eligibility)
- If students plan to enroll in CCP, CBI, CAT, or BDA courses all paperwork and approval must be completed by the student and parent on or before necessary deadlines. Please list these intentions below in the "Notes to Counselor" box below.

Review your Course Selection Form with a parent/guardian and return both to your English teacher by Monday, March 7th. If your form is not turned in and signed by the deadline, you risk having a schedule assigned to you without your input.
