

2019-20 Edison Chargers Biddy Basketball League

This year our Boys Basketball Program will be continuing our new program for our youngest basketball players. These is a great opportunity to learn the game of basketball through a fun, and exciting 3-on-3 league. This year we are changing the format slightly and adding Pre-School (5 year-olds) and Kindergarteners to the camp, in addition to our 1st, 2nd and 3rd graders. The first two days of camp will be a short mini-clinic that will allow campers to learn important fundamentals. After those first two days, we will have our high school basketball players put each camper on a team, and then coach them during the four days of camp listed below. Each camper will receive a camp T-shirt for participating this winter, as well. Also, ****NEW THIS YEAR****- *our youth campers can gain free admission to any high school boys basketball game they attend by wearing this year's camp T-shirt. Please attend as many games as you can to support our high school teams and learn more about the game of basketball!*
