

We are excited to announce that Edison Local Schools is partnering with FinalForms, an online forms, data management, and registration service, that will be replacing paper forms. FinalForms allows you to complete and sign enrollment, back-to-school, and athletic participation forms for your students. The most exciting news is that FinalForms saves data from season-to-season and year-to-year, meaning that you never need to enter the same information twice! FinalForms also pre-populates information wherever possible, for each of your students, saving you time.

At the beginning of each school year, you will be required to simply verify that the information in FinalForms is current and electronically sign all forms. Throughout the school year, if you need to update your child's information you are able to do so and sign the forms. You may review your data at any time to verify it is current.

Please click on the link to access FinalForms. <https://edisonmilan-oh.finalforms.com>

We are asking that ALL parents/guardians of students use FinalForms.

As a parent/guardian of current students, if you have not received an email as of June 8, this indicates that we do not have a current email address on file for you. Please contact the appropriate building Administrative Assistant (listed below) to help get your information set up. Parents of new students enrolling into the district can follow the instructions "Creating A Parent Account" on our district website at <http://www.edisonchargers.org>.
