Transportation Seasonal Help

The **Ohio Department of Transportation – District Three** is seeking temporary employees for our summer program. Duties will include flagging traffic; picking up litter; tree and brush trimming; sweeping floors; washing windows; removing trash; raking leaves; and other miscellaneous duties as assigned by supervisor. Applicants who have a valid driver's license may be permitted to operate pick-up trucks, vans, station wagons, passenger cars, push mowers and simple riding lawn mowers. The program runs April 15th through August 31st.

We currently have positions available at the following locations:
