Dear Parents/Caregivers,

Summer is near! Our school year has come to an end and we would like to encourage our students to continue reading throughout the summer months.

Use this form to keep track of the books your child reads. Students who (independently or with a parent) read at least 10 books will be rewarded and recognized at the CertainRead kickoff assembly in the fall. Because of the uncertain times we are living in, books might not be readily available for your student. I encourage you to visit our wonderful public libraries in the Milan and Berlin communities. You may also listen to stories on the internet. Searching YouTube will provide you with a number of available options. Mrs. Grames has read a number of books, and continues to add more weekly. Search for her at [Mrs. Grames shares](#) or by searching [Pamela Grames](#).

In order to participate, parents must verify each book was read, or heard read to them. Please provide your initials for each title and your signature on the form.

Sincerely,  
The CertainRead Committee

My child has read these 10 books, or more, during the summer. \_\_\_\_\_

If your student reads more, please attach a piece of paper and share with us what your student has been reading! Have a wonderful summer break. Bring the form back to school when you return. Forms will be due in the library by September 1, 2020.
