

Important Information about Your Child's School Meals

If you have a child in kindergarten through twelfth grade in your household who was receiving free or reduced-price meals while in school, your child is eligible for the Pandemic Electronic Benefit Transfer (P-EBT) program to receive Supplemental Nutrition Assistance Program (SNAP) benefits as a result of the school closure.

What are the benefits the child will receive?

The amount of benefits is \$5.70 per child for each school day the child was eligible for free or reduced-price meals between March 17, 2020 through May 29, 2020.

Do I have to accept the card and use it?

- » No, your participation in the program is voluntary.
- » If you choose not to participate, please dispose of your card by cutting through the magnetic stripe on the card and discard the card in a secure manner.
- » If you do not want the card, you will not be able to redeem the food benefits, nor can you transfer the card to someone else.

How can I use these benefits?

These benefits can be used to buy food items at grocery stores/retailers that accept the Ohio Direction Card (also referred to as an EBT card).

If the child is a current SNAP recipient:

- » By the end of May, the P-EBT benefits may be added to the account on which the child is active.
- » If the child was unable to be matched to his or her active SNAP account, you will be sent a P-EBT card in the child's name.

If the child is not a current SNAP recipient:

- » By mid-June you should receive a preloaded P-EBT card in the mail. The card will be in the child's name, not the parent or guardian's name. Instructions on how to activate the card will be included.
