September 11, 2020

Dear Parents:

USDA announced the extension of the Summer Food Service Program and Bath Schools has chosen to participate. All children enrolled at Bath Schools will be eligible for breakfast and lunch free of charge.

What does this mean for you and your kids?

All kids will be able to eat breakfast and lunch free of charge, with or without an application on file. Hopefully funding should last through the end of December, but it could run out before then. USDA will let us know and we will announce when meals will be going back to paid.

Should you still fill out a Free and Reduced Meals Application?

We highly recommend that you fill out your application now. When funding does run out, all kids with approved applications will continue to be served free and reduced price meals. If a child doesn't have a current application, they will be charge full price for the meals. In addition, students who apply and are approved as free can receive the instructional school fee waiver. If no application is on file, parents will be responsible for paying the instructional school fees.

Applications can be filled out online at www.payschoolscentral.com. You will need your child's student ID number to register.

When does this start?

Option 1 – Face to face students: Monday, September 14, 2020

Option 2 – Remote students: Monday, October 5, 2020. More information will be coming as to how remote students will pick up their meals.

If you have any questions, please contact Mariah Ross at 419-221-0807 ext. 2197 or rossm@bathwildcats.org

Sincerely,
Mariah Ross
Food Service Director
Bath Local School District
