CLERK OF COURT
ERIE COUNTY, OHIO
2021 SEP 15

The Erie County Common Pleas Court Judges make the following findings with respect to the current Public Health Crisis associated with the COVID-19 Coronavirus:

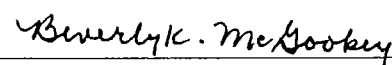

1. The Centers for Disease Control and Prevention (CDC) identified Ohio as an area of “substantial transmission.” Recent evidence suggests that the Delta variant of COVID-19 is highly transmissible. Further studies show that while the vaccine is effective and can reduce the risk of severe COVID-19 symptoms, even those who are vaccinated can spread the highly contagious Delta variant.
2. Considering this, the CDC and Erie County Health Director updated their guidance, recommending that those in areas of substantial transmission, including those who are fully vaccinated, wear a face covering in public indoor settings

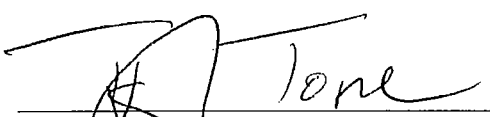

IT IS HEREBY ORDERED THAT:

1. Beginning Monday, September 20, 2021, all individuals, including Court Judicial officers and personnel, must wear a face covering/mask that covers both their nose and mouth while they are in the Courthouse. Face coverings will be provided to those without one. Each Court shall have the right to waive this requirement, upon a showing of good cause.
2. The Erie County Sheriff is instructed and authorized to enforce the restrictions and limitations enacted herein and otherwise in response to this emergency.
3. This Entry and Order shall be posted conspicuously throughout the Courthouse and on the County’s website.

IT IS SO ORDERED.
