WE ARE OPENING!

STO-ROX PRIMARY CLUBHOUSE

Boys & Girls Clubs of Western Pennsylvania will be opening our Sto-Rox Primary Clubhouse for **before & after** school programming to provide youth academic support, fun and games, STEM, and engaging activities.

BGCWPA has adopted a Health and Safety Plan that aligns to the CDC guidance and recommendations from the Allegheny County Health Department. This plan will be followed at all of our Clubhouses this fall and throughout the COVID-19 pandemic. Safety is of utmost importance as we reopen for fall programming.
