

**BOYS & GIRLS CLUBS
OF WESTERN PENNSYLVANIA**

WE ARE OPENING!

STO-ROX PRIMARY CLUBHOUSE

Boys & Girls Clubs of Western Pennsylvania has a September 28, 2020 tentative reopen date of our Sto-Rox Primary and Sto-Rox Upper Clubhouses for after school programming to provide youth virtual academic support, new fun and games, STEM, and engaging activities. Due to COVID-19 and the resources needed to remain open in a school setting, BGCWPA wants to ensure that our reopening date reflects family interest.

BGCWPA has adopted a Health and Safety Plan that aligns to the CDC guidance and recommendations from the Allegheny County Health Department. This plan will be followed at all of our Clubhouses this fall and throughout the COVID-19 pandemic. Safety is of utmost importance as we reopen for fall programming.
