Commitment to Advancing Student Learning

Wayne County Public Schools recognizes all students need to attain essential skills and dispositions to experience success throughout each stage in their life. Sound curriculum choices, routine use of evidenced-based instructional practices and strong partnerships with parents and the community will support student acquisition of the skills and dispositions needed to be career and college ready.

It is imperative our students have access to district-wide, standards-aligned curriculum resources that integrate evidenced-based instructional practices in order to advance student learning. Content specialists researched and vetted each curriculum and instructional resource to be used for the next three to six years in order to ensure what is taught is aligned with the correlating North Carolina Standard Course of Study and supports implementation of priority instructional practices. In addition, the curricula and instructional resources include the following critical features:

- Differentiated instruction
- Embedded assessments
- Routine and deliberate skills practice (blocked and interleaving)
- Student interactivity in online and offline coursework and classroom discussions
- Professional development for educators and networking opportunities within district and school professional learning communities
- Easy-to-understand, real-time data to help educators design and implement impactful action plans
- Support implementing and sustaining a Multi-Tiered System of Support (MTSS) by providing a framework of data-based problem solving, systems and practices for K through 12th grade

Wayne County Public Schools is keenly aware there is no singular curriculum, program or strategy that will prepare students for their future. However, providing students a well-rounded education that includes integrating Social Emotional Learning (SEL) competencies and practices into Arts; Science, Technology, Engineering and Math (STEM); History and ELA; and Health and PE will help. Wayne County Public Schools educators are committed to effectively and comprehensively utilizing the following district-wide curricula and instructional resources in kindergarten through twelfth grade in order to advance student learning.

- [Heggerty Phonemic Awareness](#) is an interactive curriculum for kindergarten-2nd grade students.
- 95 Core Phonics lessons are designed to provide consistent evidence and research-based phonics instruction to improve outcomes for K-3rd grade students.
- ELA HMH print and online curriculum is available to Kindergarten-8th grade students.
- SpringBoard print and online curriculum is available to English I - English IV students.

- [Actively Learn SS](#) online and printable units of study are available to high school students.
- [OnToCollege](#) program to promote career and college readiness is available to middle and high school students.
- Cultural arts, performing arts and health and physical education curriculum resources are available to kindergarten through 12th grade students.

The district is scheduling high-quality professional development and professional learning community sessions to support school personnel in effectively and comprehensively utilizing district-wide curriculum resources to maximize student learning by delivering evidence-based instruction using standards-aligned resources. In addition, the district will facilitate parent informational sessions regarding the curriculum and priority instructional strategies to be utilized.

CHEATING

Cheating, including the actual giving or receiving of any unauthorized assistance or the actual giving or receiving of an unfair advantage on any form of academic work, is in violation of the standards of integrity and civility and is specifically prohibited. Any student known to have cheated will receive a discipline consequence aligned with a Level II offense (see Policy 4300 and Policy 4310).

CHILDREN WITH DISABILITIES

The WCPS Exceptional Children's Department is committed to proactively providing specialized instruction and staff support that ensures quality programs in the Least Restrictive Environment (LRE) that will lead students with disabilities to optimal success in school and in life. Information regarding policies governing services for children with disabilities is shared with every parent of a child receiving services within the Exceptional Children's program. Additionally, issuance of the *North Carolina Notice of Procedural Safeguard* will be distributed prior to Individualized Education Plan (IEP) meetings and included with the notice/invitation to an IEP conference/meeting.

Please contact the Exceptional Children's Department at 300 Dixie Trail Building O, Goldsboro, NC 27530 or call 919-705-6027 for more information.

Child Find

In accordance with Section 1502 of the Individuals with Disabilities Education Act, Wayne County Public Schools conducts an annual child find to identify children with disabilities, ages 3 to 21, residing in the school district, including children who may attend private schools or religious schools or who are home schooled, who are in need of special education and related services. Please contact the Exceptional Children's Department at 300 Dixie Trail Building O, Goldsboro, NC 27530 or call 919-705-6027 for more information.

CLUBS AND ORGANIZATIONS

Wayne County Public Schools recognizes the importance of activities above and beyond what is taught in the classroom. Participating in a club or organization opens the door to building new friendships, enhancing each student's academic life, and exploring career opportunities. As an active member, a student learns important teamwork, leadership and management skills when participating in a variety of programs and service projects. Schools across Wayne County offer a multitude of extracurricular offerings, and students are encouraged to participate in clubs and organizations that cover a wide variety of interests. Per Board Policy, parental permission is required to be a member of a club or organization. **Note:** Many clubs, organizations and honor societies have academic criteria that must be met in order to participate.

ENGLISH AS A SECOND LANGUAGE

Wayne County Public Schools is rich with culture and diversity. Our diverse population is made up of students from around the world with many different languages represented. To help address the unique needs of our English Learners (EL) in our English as a Second Language (ESL) classes, our schools work to provide students with the necessary resources and supports to help them learn and grow academically. For more information, contact Youlonda Wynn, email address youlondawynn@wcps.org or 919-705-6171.

HOMELESS SCHOOL-AGE CHILDREN

Services for students who are homeless can be provided through Wayne County Public Schools. Please contact the McKinney-Vento liaison for Homeless Education Services, Dionna Smith-Johnson, 919-731-5916 ext 3004; address, School Street Early Learning Center, 415 S. Virginia Street, Goldsboro, NC 27530-4797.

HOMEWORK

Homework is an integral part of the total school program. It reinforces and extends what a student has learned in class and develops a sense of self-discipline, personal responsibility, and independent thinking. In order to give a student an opportunity to develop various kinds of skills, teachers will give many types of homework assignments. Research clearly indicates that appropriate amounts and higher standards of homework have substantial, positive effects on students' learning. It further suggests that homework provides a mechanism whereby parents, students, and teachers can work cooperatively as partners in education. Homework, as stated in this policy, is work that the teacher assigns to a student to complete outside of the regular class session. The following is a list of some purposes homework can effectively serve:

- A. Reinforcement and/or extension of previous learning

- B. Completion of familiar, unfinished work
- C. Development of responsible, independent study habits through learning to use and manage time
- D. Utilization of out-of-school resources for learning; giving students opportunities to explore, create, and broaden his/her interests
- E. Involvement of parents with students' school experience through related home activities which keep parents informed of the school program
- F. Enrichment and development of student initiative through accommodation of student abilities and learning differences
- G. It is suggested that 45-90 minutes of homework is age appropriate for students in grades 6-8.

**Note:* Homework should not be used as punishment for students.

MAKE-UP WORK

Students are responsible for all work missed when absent from school. Immediately upon returning to school a student must make arrangements with each of their teachers to make up all missed assignments and tests. The teacher will determine when work is to be made up. The student is responsible for finding out what assignments are due and completing them within the specified time period. If there are extenuating circumstances, the makeup time may be extended by the administration.

- Students are expected to do their work alone unless directed otherwise by the teacher.
- A student who is absent due to out-of-school suspension or other disciplinary action may make up daily work missed during the absences. He/she may also take any tests or exams missed while under suspension upon returning to school.
- Makeup work may be specific material missed by the student, or it may be of a reinforcement or enrichment nature.
- No academic penalty shall be given a student for absences. A student may not be given a failing grade or "zeros" for days missed -- only on assignments that are missed and have not been "made- up."
- If a student is expected to be confined to his home and/or a hospital for an extended period of time due to injury, illness or other disability, the child's parent/guardian should be referred to a school social worker or school counselor as soon as possible to inquire about eligibility for possible services of a "homebound" teacher.

MEDIA CENTER

The media center is a valuable resource available to students. The purpose of the media center is for reading, study and research. Media personnel will assist students in checking out materials, selecting appropriately challenging text, or using media equipment. The Media Center houses a collection of many types of materials, books, magazines, computers, etc. Students may check out materials from the Media Center for classroom work, home study, or for pleasure. Generally, materials may be checked out for a two-week period. There are no overdue fines charged, however, students pay for all lost or damaged materials. Students owing money to the Media Center may not check out materials until the money is paid.

MIGRANT SCHOOL-AGE CHILDREN

Services for students who are migrant can be provided through Wayne County Public Schools. Please contact the Migrant Program for more information: Ali Battalla and Maryluz Gonzalez, 919-252-9289.

MILITARY CHILD EDUCATION & SUPPORT

WCPS has more than 2,100 military connected students attending schools across the district. Please contact the WCPS District Military Liaison, Heather Winstead, with questions or for more information about military student support: 919-738-0070 or heatherwebster@wcps.org.

Support for military students and families includes, but is not limited to:

- **District Military Liaison** – supports and advocates for military-connected students and families. <https://www.waynecountyschools.org/military.aspx>
- **Deployment Support** – available by request. School counselors can help provide support for your child over the course of a deployment. Schools may offer deployment support groups or sessions. Remember that schools rely on families to inform them about an upcoming deployment. Please contact your child's school counselor to discuss deployment support.

- **Student 2 Student and Junior Student 2 Student program** – is a student led organization that welcomes incoming students to their school and helps departing students prepare for their next school. S2S eases transitions and creates a positive environment at WCPS middle and high schools with the highest military population.
- **Anchored4Life** – is a transition and resiliency program that makes a significant difference in military and civilian children's lives by offering positive support, encouragement, and life skills as they face many unique challenges. Students are trained and lead the program, focused on character development, transition support, new student tours, and service projects at WCPS elementary schools with the highest military population.
- **School-Based Military Family Life Counselor** – counselor who works specifically with military children at WCPS schools with the highest military population.
- **Interstate Compact** – law specifically addressing the needs of transitioning military students, including such issues as enrollment, eligibility, placement and graduation.

**Note: The Department of Defense, in collaboration with the National Center for Interstate Compacts and the Council of State Governments, developed an Interstate Compact that addresses the educational transition issues of children of military families. Currently, all 50 States and the District of Columbia participate in the interstate compact and provide a uniform policy platform for resolving the challenges experienced by military children. It is estimated that the average military family moves three times more often than the average nonmilitary family. These frequent moves can cause children to miss out on extracurricular activities and to face challenges in meeting graduation requirements. The Interstate Compact ensures that the children of military families are afforded the same opportunities for educational success as other children and are not penalized or delayed in achieving their educational goals. For more information, visit www.mic3.net.*

TECHNOLOGY RESOURCES ACCEPTABLE USE

All students must have a student acceptable use of technology resources agreement on file before using any technology resources, i.e. Internet. Failure to abide by the agreement as outlined in policy code 3225 may result in suspension of resources.

TEXTBOOKS

Textbooks are school property provided by the state of North Carolina for your use. It is the responsibility of each student to keep his/her books in good condition. Books must be returned at the end of the year or when a student transfers. When books are returned, they will be examined for damage. All school books that are assigned to students are solely the student's responsibility until they are returned. Students will be required to pay for lost or damaged books. College textbooks purchased by WCPS are also considered the property of the school district, and must be returned by the student after use in a college course.

Athletics, Attendance, Enrollment & Student Records

ATHLETICS

Students are encouraged to be involved in athletics, which develops teamwork, decision and leadership skills. Educational studies have shown that students who are involved in athletics maintain higher grades and better attendance, and graduate at a higher rate than students who do not participate. Athletics is an integral part of the school program, and schools offer their students the opportunity to participate in a wide variety of teams. Schools require academic and behavior standards in order to participate in athletics. In high schools, athletics are required to meet rules of eligibility set by the North Carolina High School Athletics Association, Inc. Middle Schools also follow the NCHSAA rules. Parents and students should educate themselves on these criteria. Information is provided by the school's athletic director.

Athletic Eligibility

To be eligible to participate in athletics, the athlete must meet rules of eligibility set by The North Carolina High School Athletic Association, Inc. including, but not limited to the following:

- Be a properly enrolled student at the time of participation.
- Be enrolled no later than the 15th day of the present semester.
- Be in regular attendance.
- Have been in attendance for at least 85% of the previous semester at an approved school.

- Not exceeded six consecutive semesters of attendance or have participated more than three seasons in any sport since first entering 6th grade.
- Must be under 15 years of age as of August 31, 2022.
- Live with parents or legal guardian. (Reference the NC High School Athletic Association handbook for further clarification.)
- Live in the school attendance district.
- Have received a medical examination by a duly licensed physician, nurse practitioner, or physician's assistant within the previous 365 days.
- Have passed one course less than the number of required core courses the previous semester, and met promotion standards.
- Having been promoted from 5th grade to 6th grade for the 2022 Fall Semester determines eligibility for athletics the first semester of the 6th grade.

Other eligibility restrictions may apply. Please contact your school's principal or athletic director for clarification as special situations or circumstances arise.

Cheerleading

Cheerleading is recognized by the North Carolina High School Athletics Association, Inc. as an activity and is recognized as a team sport by Wayne County Public Schools. All students that try-out for cheerleading are to receive Board Policy 3546, which governs cheerleader safety and selection.

Insurance

All students participating in any sport for the current school year must be covered by insurance paid for by the Wayne County Board of Education. Any questions regarding athletic insurance should be directed to the school's athletic director. Parents are urged to purchase school insurance if they do not have a primary policy.

ATTENDANCE POLICY

Good attendance is extremely important! Students should be in school and on time each day. Should students be absent from school, parents are required to send a note of explanation when the student returns. If the student will be absent three or more days, a phone call to the school and/or teacher is requested. With reasonable explanations, our teachers will work closely with students and parents to make-up missed lessons and work.

When students are attending school face-to-face, North Carolina law requires a student be present one-half of the school day in order to be counted present. A student must arrive at school no later than three and one-half hours after the school opening time in order to be counted present for the day. In addition, if a student leaves prior to three and one-half hours before the school dismissal time, the student is counted absent for the day. High school opening and dismissal times are listed on the inside back cover of this handbook. Students who miss classes to attend a school-sponsored activity will not be counted absent.

To find the most current Covid exclusion guidance, please visit www.waynecountyschools.org and click on "2022-23 Updates & Resources". In the event a WCPS student tests positive for COVID-19, the school needs to be notified in order for the student's absence to be correctly coded.

WCPS Policy No. 4400: Attendance (K-12) and AR 4400: Attendance Administrative Procedures (K-12) Absences

There is no substitute for the uninterrupted personal contact between teachers and students, where learning experiences are carefully planned by the teachers. Even though students may make up class work missed because of absences, they may never be able to replace the educational, cultural, and social contacts they would have experienced through virtual or face-to-face instruction and engagement in the lesson. Students with regular and consistent attendance generally achieve higher levels of learning than those with poor attendance.

Whenever a child is absent from a face to face class or a remote (virtual) class, a written excuse, signed by the parent, must be provided to the teacher. All absences require a note signed by the parent that states the reason for the absence. Excused absences are limited to those criteria established by Board Policy. The following constitute lawful reasons for absences:

- Illness or injury

- Quarantine
- Death in the immediate family
- Medical or dental appointments
- Court or administrative proceedings
- Religious observances
- Educational opportunity
- Absence due to deployment activities

If a student is expected to be confined to his home and/or hospital for an extended period of time due to injury, illness, or other disability, the child's parent/guardian should confer with a school social worker and/or school counselor as soon as possible.

Unlawful and Unexcused Absences

A middle school student is expected to attend school for the designated number of student days on the school calendar unless absent for the reasons noted in the previous section. Unlawful and unexcused absences are absences defined by the NC Compulsory Attendance law, and regulations adopted by the State Board of Education, as "a child's willful absence from school without the knowledge of the parent, or a child's absence from school without cause and knowledge of the parent." The term "unlawful absence" applies only to children between the ages of 7 and 16 who are subject to the Compulsory Attendance Law. Any student who accumulates and exceeds 6 unlawful or unexcused absences for any course during a semester is in jeopardy of receiving a failing grade and receiving no credit for the course. Suspension or exclusion of students for misconduct may NOT be used for compulsory attendance violation actions.

Tardies

Each school has designated a time at the beginning of each instructional block to note the attendance of their students. Students who arrive to class later than that time of day are marked as being "tardy". Arriving late for class and/or leaving early prevents the maximum amount of instruction to take place, not only for that particular student, but also for other students in the class.

Perfect Attendance

In an effort to recognize perfect attendance, a certificate is typically awarded to any student who has been "legally" present for all student days during an academic year. In accordance with State Board of Education policy, "a child shall be present at least one-half day of the school day in order to be recorded present for that day. A child shall be recorded present for any day that he is present at a place other than the school with the approval of the principal for the purpose of attending a school activity which has been officially authorized under the policies of the Board of Education of the school administrative unit. This may include field trips, athletic contests, music festivals, student conventions, and similar activities."

Sign-In/Sign-Out Procedures

Each school has a specific procedure to follow when a student should arrive after the instructional day begins, or it is necessary to leave before school is dismissed for the day. The procedure for your school is to be followed closely to ensure the student avoids being counted as absent.

Early Dismissals

Once a student arrives on campus, he/she becomes the responsibility of the school; therefore, he/she will not be allowed to leave without permission from the office. Early dismissals will be granted to students with authorized permission only. Each school has a procedure for when and how early dismissals are permitted. It is the responsibility of each student to closely follow these procedures.

Records of prior attendance, grades and shot records are required. The following items must be supplied before the registration process may begin:

1. A report card, which lists all courses from the previous school year.
2. Withdrawal forms from previous school (after school year begins).
3. Address and phone number of previous school.
4. A copy of the immunization record.
5. A copy of the birth certificate.

Transfers/Withdrawals

Students who withdraw will need a parent/guardian to come to the school to fill out withdrawal forms. All books and fees must be paid before withdrawing from school. Students who transfer to one school from another school within Wayne County Public Schools must provide withdrawal forms from the previous school before enrolling. Before transferring from the student's assigned attendance area school to a school within Wayne County Public Schools which is *not* in the student's assigned attendance area, the student must have written permission from the Wayne County Public Schools district office.

Students planning to withdraw should notify their counselor of their intentions two or three days in advance. All fees should be paid and all books including library books should be returned. Records will not be forwarded unless fees are paid and books are returned. On the day of withdrawal, the student should report to their school counselor before 1st period and get a withdrawal form and instructions for completion of the form. Lockers should be cleaned out and all books returned to teachers. Parents must make contact with the school for withdrawal to take place.

Family Education Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA), is a Federal law that protects the privacy of student educational records. The rights of eligible students (18 years or older) and parents as required by FERPA are governed by Wayne County Board of Education Policy 4700 "Student Records". Wayne County Public Schools guidelines for implementation of FERPA can be found by clicking on the FERPA link under the "Student Resources" and "Parent Resources" tabs on the district website: www.waynecountyschools.org. If you do not have Internet access, a copy can be requested by calling Ken Derksen at 919-705-6125.

Student Records

Code of Student Conduct

Code of Student Conduct

Policy Code: 4300

All students shall comply with the Code of Student Conduct of the Wayne County Public School System, state and federal laws, school board policies, and local school rules governing student behavior and conduct. This code applies to any student who is on school property, who is in attendance at school or at any school-sponsored activity, or whose conduct at any time, place, or cyberspace, on or off campus, has or is reasonably expected to have a direct and immediate impact on the orderly and efficient operation of the schools or the safety of individuals in the school environment.

A. STUDENT EXPECTATION

Students are expected to be familiar with all rules of behavior in the Code of Student Conduct. Students are to assist in promoting a safe and orderly school environment and are encouraged to report to school authorities any serious violation of the Code of Student Conduct.

B. RANGE OF INTERVENTIONS, SUPPORT, AND DISCIPLINARY ACTIONS

Violation of Board policies, the Code of Student Conduct, regulations issued by the individual school, or North Carolina General Statutes may result in some level of disciplinary action. Teachers and principals are encouraged to utilize a variety of behavioral interventions and disciplinary consequences to accomplish a positive change in student behavior. When a student violates the Code of Conduct and a behavioral intervention or in-school discipline consequence is imposed, the school will attempt to notify the parent. For out of school suspensions the administration will provide notice to parents as required in Board Policy.

Most behavioral interventions and disciplinary consequences can occur with the student remaining in school. Examples of in-school interventions include but are not limited to: behavior contract, peer mediation, in-school suspension, conflict resolution, detention, restitution, loss of privileges, and school or community service. If the principal deems it appropriate to require a student to stay after school for detention for a disciplinary reason, the principal may authorize such detention provided the parent or guardian has received at least one day's notice and has agreed to assume responsibility for transportation home.

When, after considering potential mitigating and aggravating, factors, the school principal determines a student's behavior warrants an out-of-school suspension, the principal may impose a short-term suspension (10 days or less) or, for more serious violations of the Code of Conduct, may recommend a long-term suspension (greater than 10 days), a 365-day suspension or expulsion, to the extent permitted by law and this policy. The Superintendent must approve any suspensions of greater than 10 days. The Board of Education must approve any expulsion from school based on a recommendation of both the principal and the Superintendent. Under state law, if a student in grades K-12 brings a firearm on to school property, the student shall be subject to a 365-day suspension from school.

Policies may be modified on a case-by-case basis to conform to the "Policies Governing Services for Student with Disabilities".

The Student Code of Conduct rules are leveled, indicating the severity of violation and type of consequence as follows:

Level I - Level I rule violations should generally result in in-school interventions in lieu of out of school suspensions. In cases where a student refuses to participate in the in-school interventions or engages in persistent violations of a Level One rule, or where there are other aggravating circumstances the principal may impose a short-term suspension that shall not exceed three school days (two school days for truancy or tardiness). A Level One rule violation shall not result in a long-term suspension; however, principals may increase the short-term suspension up to ten day school days based upon a consideration of the student's intent, disciplinary and academic history, the potential benefits to the student of alternatives to suspension, and other aggravating factors regarding the severity of the violation and/or safety concerns which may warrant up to a ten-day suspension.

Level II - Level II rule violations involve more serious misconduct that may warrant a short-term suspension that shall not generally exceed five school days. Principals may increase the short-term suspension up to ten school days and/or may recommend a long-term suspension based upon a consideration of the student's intent, disciplinary and academic history, the potential benefits to the student of alternatives to suspension, and other aggravating factors regarding the severity of the violation and/or safety concerns which may warrant the recommendation of long-term suspension.

Level III - Level III rule violations are more severe in nature and support long-term suspension. The principal may recommend a short-term suspension (10 days or less) based on mitigating factors.

Level IV - Level IV rule violations compromise the safety and welfare of students and *staff* and require a suspension under NC General Statutes.

Level V - Level V allows for expulsion of a student, as provided by state statute, for a violation of the Code of Conduct, if the student is fourteen (14) years of age or older and the student's behavior indicates that his/her continued presence in school constitutes a clear threat to the safety of other students or employees and the Board determines there is no appropriate alternative education program. Additionally, any student who is a registered sex offender under [Article 27A of Chapter 14 of the North Carolina General Statutes](#) may be expelled.

Equal Access

Wayne County Public Schools will provide equal access to the Boy Scouts and other designated youth groups as required by law. The Board will not tolerate any form of unlawful discrimination, harassment or bullying in any of its educational or employment activities or programs.

Student and Parent Grievances

While the district encourages informal resolutions to student and parent grievances, it recognizes that students and parents may want a more formal process for certain types of complaints or to follow if an informal process is not found to be satisfactory. Board of Education Policy 1720/1725/4010 outlines the grievance process to address situations in which a student or parent believes that a violation, misapplication, or misinterpretation of school board policy or of state or federal law or regulation has occurred. The exception is of the appeals related to disciplinary actions under the Code of Student Conduct and other situations for which a specific appeal process has been identified by policy.

As the first step in the grievance process, students or parents should discuss the grievance with the most immediate and appropriate school official within ten (10) calendar days of the occurrence giving rise to the grievance.

Freedom of Speech

Students have a right to express their thoughts and opinions at reasonable times and places. This right is guaranteed by the Constitution of the United States. The school is an appropriate place for debate, discussion, and the expression of ideas. However, certain kinds of speech, whether spoken, written or symbolic, may be prohibited at schools. Understanding the meaning of the First Amendment's protection of free speech is an important responsibility, which students must accept, in their learning process. The following types of speech are not generally protected by the Constitution and are prohibited at schools or at school-related activities:

Profanity: words, which are clearly considered profane by contemporary community standards of behavior;

Obscenity: words which describe sexual conduct and which, read as a whole, appeal to a prurient interest in sex, portray sex in a manner offensive to contemporary community standards and do not have serious literary, artistic, political, or scientific value; Fighting or Abusive Words: words which are spoken solely to harass or injure other people, such as threats of violence, defamation of character or defamation of a person's race, religion or ethnic origin; and Disruption: speech, be it verbal, written, or symbolic, which materially and substantially disrupts classroom work, school activities or school functions, such as demonstrations, "sit-ins," "boycotts," "walkouts," or simply talking in class when told not to do so by the teacher.

Freedom of the Press

The right of students to express their thoughts and opinions in school-sponsored or non school-sponsored publications are also generally protected by the Constitution. There are certain limitations on this right, however, which students are responsible to learn in the process of their education. In order to prevent the disruption of classroom instruction, the principal may restrict the distribution of any publication at school to reasonable times and places. In addition, principals may prohibit the distribution at school and school-related activities of a publication if they consider the publication:

- to be obscene
- to contain "fighting or abusive" words, or
- to be libelous
- to be materially and substantially disruptive of schoolwork, activities or functions.

If a principal prohibits the distribution of a student publication, the student shall be informed that he or she may file a grievance to the Board of Education. The distribution of material without prior approval may result in an out of school suspension for person(s) distributing the material.

AFTER HOURS SCHOOL EMERGENCY CONTACT INFORMATION

Each school posts their After Hours Emergency Contact Information on their school's voicemail system for parents who need to immediate assistance from a school official after hours or on the weekend.

ASBESTOS MANAGEMENT PLAN

Pursuant to the Asbestos Hazard Emergency Response Act (AHERA), the Asbestos-Containing Materials in Schools rule requires local education agencies to inspect their school buildings for asbestos-containing building material, prepare asbestos management plans and perform asbestos response actions to prevent or reduce asbestos hazards. If you have any questions regarding inspections, response actions, and post-response action activities, including periodic re-inspection and surveillance activities that are planned or in progress as well as the availability of the AHERA Management Plan for Wayne County Public Schools, you may contact Dr. Tim Harrell at 919-731-5900.

ASTHMA/MEDICAL STATEMENT

Students requiring emergency medication and regularly administered medications, including asthma inhalers and emergency injections, will have access to their medicines at school, while on field trips and while participating in other school-sponsored activities. These students must also have a physician authorization in writing.

BOMB THREATS

Students are prohibited from making, aiding, and/or abetting in making a bomb threat or perpetrating a bomb hoax against school district property by making a false report that a device designed to cause damage or destruction by explosion, blasting or burning is located on school property. No student may knowingly or willfully cause, encourage or aid another student to make a bomb threat or perpetrate a bomb hoax and must notify a teacher or the principal of this information immediately.

Consequences of Bomb Threat

In accordance with Policy 4300 – *Code of Student Conduct*, any student who makes a bomb threat or knowingly, willingly causes, encourages or aids another student toward making a bomb threat or perpetrating a bomb hoax will be suspended for ten days and recommended for long term suspension to the superintendent.

Possession of a Bomb/Destructive Device

Possession of any explosive, incendiary, or poison gas bomb, grenade, rocket having a propellant charge of more than four ounces, missile having an explosive or incendiary charge of more than one-quarter ounce, mine, or device similar to any of the devices listed is strictly prohibited by law on a public school campus.

Consequences of Possession of a Bomb/Destructive Device

As required by law, the principal shall suspend for ten days and recommend to the superintendent a 365-day suspension for any student who: (a) is found to be in possession of a bomb or destructive device of any kind, or (b) conceals, places or displays device on school property or at a school-related or school-sponsored activity with the intent to cause others to believe the device is a bomb or destructive device. Upon the superintendent's recommendation, the school board may modify the mandated 365-day suspension as is dictated by law. A student who violates this section will be referred to the criminal justice and/or juvenile justice system.

BOOK BAGS AND GYM BAGS

Book bags and gym bags are to be placed in the student's locker upon arrival to school. They are to remain in the student's locker until the end of the school day. Each school has specific procedures on the use of book bags and gym bags and the procedures should be closely followed. In the event that lockers are not assigned, students should follow the directions of school administration regarding storage of book bags and/or gym bags during the school day.

BULLYING (SCHOOL BOARD POLICY 1710)

Bullying may be physical, verbal, social-relational, and/or harassment of any kind. It can happen in front of the victim or away from the victim, such as gossip. Another type of bullying that occurs is cyberbullying where social networks or any form of technology, including cell phones are used to bully/taunt students. Each school needs the support of parents as well as students to stop bullying from occurring. Talk with your child at home every day and ask them about their day at school. It often takes time and patience to catch a bully because most of the bullying or taunting occurs when no adult is present. Encourage your child that if he or she is a victim or even an onlooker of bullying, it must be reported. If problems have occurred at school in regards to bullying, please let your child know that it is okay to tell someone. The teacher needs to be informed and the team of teachers will investigate first. If problems persist, the administration and school counselor will get involved. We will try our best to stop the bullying. Most bullying can be stopped by avoiding or not letting the bully know that he or she is 'winning', so to speak. We encourage students to first ignore but if the problem persists, the school must know. Once a student has been talked to by his or her teachers, warned by the administration and parents called, the next offense of bullying or harassment will result in Out of School Suspension. Bullying occurs when there is a constant pattern of behavior, not a one or two time occurrence.

Bullying Reporting App [Safe2SpeakUp app]

Students and parents who want to report bullying can do so by downloading the Safe2SpeakUp app. Through the Safe2SpeakUp app, students can send anonymous tips about school safety concerns like bullying, fighting or even weapons from their smartphone or tablet. These anonymous tips give school administrative teams the

information they need to take action. To download the Safe2SpeakUp app, go to www.waynecountyschools.org and click on the “Student Resources” or “Parent Resources” tabs.

BUS TRANSPORTATION

Bus transportation is a privilege and not a right in North Carolina. All students are expected to conduct themselves on buses so as not to jeopardize the safety of other students. Persons not adhering to proper bus conduct will be subject to disciplinary action and to possibly being barred from riding a school bus. Parents are not allowed to board buses. Students are not allowed to ride buses they are not assigned to in accordance with Wayne County Public School policy. The following are transportation guidelines:

- Be ready for the bus each morning. If the driver stops the bus and does not see any movement of students, the driver is not required to wait.
- Students should know that while being transported, they are under the direct supervision of the bus driver. Refusal to obey requests of the driver may also result in being denied transportation or disciplinary action.
- Pupils are to be assigned seats shortly after school begins. You should sit only in the seat to which you are assigned.
- Students are not to go between, behind, in front, or enter parked buses anytime during the school hours.

The school administration has the ability to suspend bus transportation as a disciplinary action. Every school follows specific procedures for loading and unloading of students, delivering students to bus stops and communicating with parents about delays or bus changes. It is the responsibility of the parent and the student to familiarize themselves with those procedures.

CAFETERIA PAYMENT POLICY

Community Eligibility Provision (CEP) Meal Program Applies to all schools. For the 2022-2023 school year, CEP middle schools have been recognized as a qualified recipient and awarded participation in the Community Eligibility Provision meal program which will ensure that each student receives breakfast and lunch at NO COST. Applications for free or reduced lunch meals will not be distributed this year. All students who wish to eat in the cafeteria will receive their meals at no cost and will not have to complete and submit a meal application. Students may not charge a la carte items, such as snacks. Adults and visitors may not charge meals or a la carte items.

CHANGING CLASSES (ACCEPTABLE HALL BEHAVIOR)

Students should remember to keep to the right side of halls in order for traffic to move smoothly. Students are also asked not to stop in the middle of hallways for conversations with classmates and friends during class change periods. Students are not to block doorways. Your cooperation will curb congestion and prove beneficial to all involved. Students are expected to be in their classrooms on time.

CLEARING CAMPUS AFTER EVENTS

There is some concern about students congregating on campus following athletic contests and/or night activities. Fifteen minutes following the conclusion of an event, the security personnel will be instructed to "sweep" the areas outside of the gymnasium, football stadium, cafeteria, auditorium, etc. Everyone will be asked to leave the premises immediately. Adequate transportation arrangements should be made prior to reporting to this campus for an after school activity. If you are unsure of the length of a particular event or program, simply ask before reporting to the school campus so that you may arrange for transportation promptly at the end of the event. Students lingering after events may be banned from attending further events.

COUNSELING & SUPPORTIVE SERVICES

School counseling programs are provided by the school district with the ultimate aim of improving student performance by implementing strategies and activities that support and maximize student learning; helping students to grow in their personal and social development; and providing a foundation for acquiring the skills that enable students to make a successful transition from school to the world of work. Counseling may be provided on an individual basis or in small or large groups. School counselors may refer students who have extensive needs or needs that go beyond the purpose of the counseling program to community resources.

Students may seek counseling or be referred by staff or parents. Any staff member who is aware that a student is contemplating suicide or is otherwise suffering from an emotional or psychological crisis must immediately notify the counseling program in accordance with any rules established by the superintendent or principal. Any counselor or other staff member who knows or has cause to suspect child abuse, neglect, dependency or death as a result of maltreatment must report the information as provided in policy 4240, Child Abuse – Reports and Investigations and as required by law.

Counseling programs are most effective when voluntarily entered into by a student. School officials and teachers may recommend a counseling program to help a student meet standards of conduct and academic performance established by the board and school system. However, students will not be required to attend individual or small group counseling sessions to address identified significant personal issues unless agreement has been reached with the parent and student in a behavior contract, an intervention plan or, for special education students, an individualized education plan. (See Student Behavior Policies (4300 series), policy 3420, Student Promotion and Accountability, and policy 3520, Special Education Programs/Rights of Students with Disabilities.

Information obtained in a session with a counselor may be privileged and protected from disclosure as provided by law. A counselor cannot be required to testify concerning privileged information unless, as provided by G.S. 8-53.4, the student waives the privilege or the court compels testimony as necessary to the proper administration of justice. The school counselor privilege does not, however, exempt the counselor from reporting child abuse as required by G.S. 7B-301. Any notation made by a counselor for his or her own use is a confidential document and is neither a public record nor a part of the student's record. Such confidential documents do not have to be shared with parents or others except as required by law. Any document prepared by a counselor that is shared or intended to be shared with other staff is considered an educational record of the student and is available to the parent or eligible student in accordance with policy 4700, Student Records.

DIABETES STATEMENT

North Carolina Senate Bill 911 requires guidelines for the development and implementation of individual health care plans for students with diabetes in North Carolina schools. Additional information on Senate Bill 911 is available at: www.nchealthyschools.org. Forms may be requested for diabetes health plans in our school office.

DISCIPLINE / STUDENT BEHAVIOR

Each student has been issued a copy of the Wayne County Public Schools Policy 4300, "Code of Student Conduct" within this handbook. Additionally, this policy will be reviewed with students at the beginning of the school year and a signature of receipt by students and parents will be required. All policies relative to discipline and a safe and orderly school environment are available on the Wayne County Public Schools district website. If a student or parent cannot access the policies online, they may request a printed copy of any policy from the school.

DRESS CODE

Wayne County Board of Education Policy #4305: *Student Dress Code and Appearance*

A. Standard Dress Code

The Wayne County Public Schools Board of Education respects a student's right to choose his or her style of dress or appearance. However, the Board of Education will require that students adhere to standards of dress that are compatible with the requirement of a good school environment. All students are expected to be groomed and dressed appropriately for school and school activities. In the opinion of the principal or his/her designee, if a student's dress or appearance is such that it (1) disrupts the learning environment, (2) constitutes a threat to health or safety, (3) is construed as provocative or obscene, or (4) is lacking in cleanliness, the principal or the principal's designee may require the student and student's parent or guardian to take appropriate action to remedy the situation. Before receiving disciplinary consequences, a student who is not in compliance with this policy will be given a reasonable period of time to make adjustments so that he or she will be compliance.

The principal shall have the authority to implement the school dress code and appearance policy in a manner that is age appropriate, and reasonable consideration will be made for those students who, because of a sincerely held religious belief or medical reason, request a waiver of a particular guideline for dress or appearance. The waiver request must be in writing from the parent or guardian and must be approved by the principal or his/her

designee. Reasonable accommodations shall be made by the principal to accommodate students involved in special duties, activities, or projects approved by the school. This would include but not be limited to: athletics, vocational classes and projects, PE classes, special events, or other activities that would allow for non-conforming dress on a school campus or during a school sponsored event.

Disciplinary action will be taken for any violation of the dress code in accordance with Policy 4300 Code of Student Conduct). Students who do not comply with the school dress code and appearance policy may be excluded from participating in certain school programs, including graduation ceremonies. (*Fowler vs. Williamson*, 39 N.C. App. 715, 251 S.E.2d 889 [1979].) Copies of the Student Dress Code and Appearance Policy will be made available to students and parents annually.

Specific guidelines listed below will apply to all students:

1. Shorts, Skirts, dresses, or other clothing must be finger-tip length or reaching the mid-thigh, including when leggings or tights are worn. Clothing must not have holes exposing skin above finger-tip length or mid-thigh.
2. Shirts, tops, and dresses must cover the top of the shoulder with at least a two-inch width strap, and fit closely under the armpits (Principal discretion may be used taking into consideration the age of the student).
3. Shirts and tops should be long enough to cover the midriff when sitting or standing; and shirts, tops and dresses must be buttoned high enough to cover the chest and the back of the body cannot be exposed.
4. No sagging pants allowed and pants cannot be worn with the waistband below the hipbone.
5. Underwear, or the body typically covered by underwear, cannot be visible at any time, including under sheer, see-through, or mesh fabric.
6. Any form of attire which is indicative of gang affiliation is prohibited, including bandanas.
7. No (hats, caps, hoods, curlers) can be worn inside school buildings.
8. Clothing will not be allowed that promotes alcoholic beverages, tobacco use, smoking, vaping, the use of controlled substances, depicts violence, is of a sexual nature, or is of a disruptive nature.
9. Shoes must be worn at all times and in accordance with special requirements such as P.E. classes, ROTC, science labs, etc. Shoes that have laces must be laced and tied.

DRIVER'S ELIGIBILITY

Students must have a Driving Eligibility Certificate in order to receive a North Carolina driver's permit or license. The Division of Motor Vehicles will not issue a driver's permit or license without a Driving Eligibility Certificate. A student must pass 70% of courses the previous semester to be eligible to receive a Driving Eligibility Certificate. A student must continue to pass 70% of courses each semester in order to retain the permit or license. Academic performance will be evaluated at the end of each semester. The revocation of a student's driving permit or license will result if a student does not maintain adequate academic progress (pass 70% courses) or drops out of school. Senate Bill 57 calls for the loss of driving privileges for students under the age of 18 who are given a 10 day or longer suspension and/or an assignment to an alternative educational setting.

"Lose Control, Lose Your License"

The NC General Assembly directs public schools, community colleges, and nonpublic schools to notify the North Carolina Division of Motor Vehicles whenever a student is given an expulsion/suspension for more than 10

consecutive days or an assignment to an alternative educational setting for more than 10 consecutive days for one of the following reasons:

1. The possession or sale of an alcoholic beverage or an illegal controlled substance on school property.
2. The possession or use on school property of a weapon or firearm that resulted in disciplinary action under G.S. 115C-391(d1) or that could have resulted in that disciplinary action if the conduct had occurred in a public school
3. The physical assault on a teacher or other school personnel on school property.

DRUG AND ALCOHOL POLICIES

Drugs and Alcohol – Policy 4325 and Drug-Free Learning Environment and Workplace – Policy 7240: Please be advised that under these policies, there are certain requirements and opportunities for a student to receive treatment and rehabilitation from any problems as identified in the drug and alcohol abuse policies. Please feel free to ask the principal for these policies that will explain all details of required treatment and rehabilitation for your son or daughter. *Wayne County Public Schools is not responsible for any expenses related to these policies. It is the student/family's responsibility for any and all costs.*

HEALTHY ACTIVE CHILDREN PROGRESS REPORT/ SCHOOL MENTAL HEALTH POLICY REPORT

In compliance with WCPS Policy 4112, SHLT Policy 000, and SHLT Policy 003, WCPS reports to DPI annually regarding the system's compliance with the laws and policies related to student wellness, the implementation of these policies, and progress towards meeting health and wellness goals. This report can be found on the health and wellness section of the WCPS website, <https://www.waynecountyschools.org/HealthWellnessServices.aspx>.

IMMUNIZATIONS & HEALTH ASSESSMENTS

The Board of Education requires all students to meet the eligibility requirements for school admission established by the State and the Board, including immunization and health assessments. The current required vaccination schedule is available from the NC Immunization Branch online at <https://immunization.dph.ncdhhs.gov/schools/k-12.htm>. A booster dose of Meningococcal Conjugate Vaccine (MenACWY) to protect against meningococcal disease is required for all students entering the 12th grade or by 17 years of age, whichever comes first. As well, students enrolling in NC public schools for the first time must have a NC Health Assessment Transmittal Form completed by a medical provider prior to the student's first day of attendance.

Principals are required to refuse admittance to any child whose parent or guardian does not present a medical certification of proper immunizations and/or the NC Health Assessment Transmittal Form within the allotted time.

LOCKERS

For schools that provide student lockers: Policy 4343 states that all lockers are the property of the Wayne County Board of Education. They are subject to period general inspections at any time without notice, without student consent, and without a search warrant. The student is expected to assume full responsibility for the locker that is assigned to him/her. Additionally, each school that provides student lockers has specific procedures pertaining to locker assignments, locker fees, and the locks placed on each locker. Students are strongly advised not to keep money or valuables in their assigned locker.

PESTICIDE USE

Schools schedule pesticide use only when students are not on campus and on an "as needed" basis. Dates of pesticide use are kept in an IPM book, which is available to parents at their child's school upon request to review. Parents can request notification of school pesticide use. Notice of pesticide use will be made at least 72 hours in advance, to the extent possible.

PRESCRIPTION MEDICATION

An *Authorization For Medication To Be Given During School Hours* form from the doctor must be on file in the principal's office. A prescription container bearing the name of the student, the prescription number, the pharmacy telephone number, doctor's name, date, administering instructions and other pertinent data is needed. This should be on a prescription label secured to the container, and the only medicine placed therein would be that which was brought by the parent with the administering request. A statement must be on file in the principal's office by the parent to the effect that the local school and the Wayne County Board of Education will not be liable. The child is to report to the school office or other designated location at the proper time for administering of the medicine.

Students requiring emergency medication and regularly administered medications, including asthma inhalers and emergency injections, will have access to their medicines while on field trips and while participating in other school sponsored activities. These students must also have authorization in writing.

SAFE AND ORDERLY SCHOOL ENVIRONMENT

An orderly environment is essential for teachers to instruct and for students to achieve. Students are encouraged to participate in school efforts to create a safe, orderly, and inviting environment. Principals and teachers have full authority, as provided by law, to establish and enforce standards and rules as necessary to create orderly schools and classrooms.

Crisis Plan

Each school has developed a plan of action to handle a crisis or emergency situation should one arise.

Drills

Drill practice sessions are required for possible fires, tornados, and lock-down. Drill procedures and evacuation routes are posted in each room.

Bullying (School Board Policy 1710)

See statement/information on page 24 of the School Handbook.

Search and Seizure

School officials have the right to search students, student lockers, and/or student book bags in accordance with North Carolina General Statutes and under the conditions outlined in WCPS Board Policy No. 4343.

Tobacco Products

All Wayne County Public School facilities and properties are smoke free. If a student is caught with or in possession of tobacco products, vaping products, devices, or paraphernalia, disciplinary action will occur in accordance with Board Policy 4300 Code of Student Conduct.

Weapons

Students are forbidden from bearing or possessing a weapon or objects that appear to be imitations of a weapon on a school bus, on school grounds, or at any school function away from school. Parents and law enforcement officials will also be notified. Violation of this policy will result in immediate suspension with a recommendation to the superintendent for long-term suspension or disciplinary reassignment. Again, alternative school placement or expulsion could occur.

SCHOOL CLOSINGS AND/OR DELAYS DUE TO EMERGENCIES AND/OR INCLEMENT WEATHER

With inclement weather, there is a possibility that schools will be closed or delayed due to bad weather conditions. A decision to close or delay opening of schools will only be done after the Superintendent has completed a thorough investigation of the weather conditions in our area. Announcements will be made on local radio and area commercial TV stations as well as the school district's education channel (Time Warner Cable channel 18), the school district website (www.waynecountyschools.org), WCPS Social Media channels (@WayneCountyPS on Twitter & Facebook), the WCPS Mobile APP, and via the district's instant messaging system. If weather conditions look threatening, parents should be sure to listen for announcements during the evening and during early morning hours. If there is an early dismissal due to weather and/or emergency conditions, bus runs and student pick-up will begin at the announced dismissal time.

USE OF SECLUSION & RESTRAINT

Principals, teachers, substitute teachers, voluntary teachers, teacher assistants, and student teachers may use reasonable force in the exercise of lawful authority to restrain or correct students and to maintain order; provided, however, that the use of corporal punishment is not permitted.

The Superintendent is authorized and directed to promulgate such administrative regulations and procedures as may be appropriate for the implementation of this policy and as may be appropriate for compliance with relevant federal and state laws.

Any employee, as provided herein, shall enjoy the full faith and support, including legal representation, of the Board of Education in the proper application of this policy, except for any action not in compliance with this policy and any and all administrative regulations and procedures pursuant thereto. Nothing herein contained shall be

construed to repeal, abrogate, amend or otherwise change any other duly adopted policy or administrative procedure of Wayne County Public Schools.

NCGS 115C-391.1 defines the permissible use of restraint and seclusion in the public schools. Nothing in it modifies the rights of school personnel to use reasonable force as permitted under NCGS 115C-390.3 or modifies the rules and procedures governing student discipline under Article 27 of NCGS 115C.

- If used as provided for in a student's IEP or Section 504 Plan or Behavior Intervention Plan
- As reasonably needed to prevent imminent destruction to school property or another person's property

NOTE: Except in the above circumstances, physical restraint of students is prohibited. Physical restraint shall not be considered a reasonable use of force when used solely as a disciplinary consequence.

Mechanical Restraint

Mechanical restraint of students by school personnel is permissible only in the following circumstances:

- When properly used as an assistive technology device included in the student's IEP or Section 504 Plan or Behavior Intervention Plan or as otherwise prescribed for the student by a medical or related service provider
- When using seat belts or other safety restraints to secure students during transportation
- As reasonably needed to obtain possession of a weapon or other dangerous object on a person or within the control of a person
- As reasonably needed for self-defense
- As reasonably needed to ensure the safety of any student, school employee, volunteer, or other person present

NOTE: Except as set forth above, mechanical restraint including the tying, taping, or strapping down of a student is prohibited and shall not be considered a reasonable use of force.

Seclusion

Seclusion of students by school personnel may be used in the following circumstances:

- As reasonably needed to respond to a person in control of a weapon or other dangerous object
- As reasonably needed to maintain order or prevent or break-up a fight
- As reasonably needed for self defense
- As reasonably needed when a student's behavior poses a threat of imminent physical harm to self or others or imminent substantial destruction of school property or another person's property
- When used as specified in the student's IEP, Section 504 Plan or Behavior Intervention Plan AND
 - The student is monitored while in seclusion by an adult in close proximity who is able to see and hear the student at all times
 - The student is released from seclusion upon cessation of the behaviors that led to the seclusion or as otherwise specified in the student's IEP or Section 504 Plan
 - The space to which the student is confined has been approved for such use by the local education agency
 - The space is appropriately lighted
 - The space is appropriately ventilated and heated or cooled
 - The space is free of objects that unreasonably expose the student or others to harm

NOTE: Except in the above circumstances, the use of seclusion is prohibited. Seclusion shall not be considered a reasonable use of force when used solely as a disciplinary consequence.

Isolation

Isolation is permitted as a behavior management technique provided that:

- The space used for isolation is appropriately lighted, ventilated, and heated or cooled

- The duration of the isolation is reasonable in light of the purpose of the isolation
- The student is reasonably monitored while in isolation
- The isolation space is free of objects that unreasonably expose the student or others to harm

Time Out

Nothing in the above guidelines is intended to prohibit or regulate the use of timeout as a behavior management technique in which a student is separated from other students for a limited period of time in a monitored setting.

Aversive Procedures

Aversive procedures are prohibited. They are defined as a systematic physical or sensory intervention for modifying the behavior of a student with a disability which causes or may reasonably be expected to cause significant physical harm, serious, foreseeable psychological impairment, or obvious repulsion on the part of observers who cannot reconcile extreme procedures with acceptable standard practice.

Notice and Reporting

Notice of these requirements will be provided annually to parents in the School Handbook and to employees in the Employee Handbook.

School personnel shall promptly notify the principal or principal's designee of (1) any use of aversive procedures, (2) any prohibited use of mechanical restraint, (3) any use of physical restraint resulting in observable physical injury to a student, and (4) any prohibited use of seclusion that exceeds ten minutes or the amount of time specified on a student's Behavior Intervention Plan.

A principal or principal's designee with personal knowledge or actual notice of one of the above events shall promptly notify the student's parent or guardian and provide the name of a school employee with whom the parent or guardian can discuss the incident. The school shall provide the parent or guardian with a written report within a reasonable time, but in no event later than 30 days after the incident.

Non-Retaliation

No local board of education or employee of a local board of education shall discharge, threaten, or otherwise retaliate against another employee regarding that employee's compensation, terms, conditions, location, or privileges of employment because the employee made a report alleging a prohibited use of physical restraint, mechanical restraint, aversive procedure or seclusion unless the employee knew or should have known that the report was false.

No Cause of Action

According to NCGS 115C-391.1(k), nothing in the permissible use of seclusion and restraint law shall be construed to (1) create a private cause of action against any local board of education, its agents or employees, or against any institutions of teacher education or their agents or employees, or (2) to create a criminal offense.

VISITORS AND PARENTS

WCPS welcomes parents to our campuses. There are marked visitor parking spaces in front of the main building for parents and visitor parking. During school hours, please check in at the main office upon arrival.

WIRELESS COMMUNICATION DEVICES

WCPS recognizes that cellular phones and other wireless communication devices have become an important tool through which parents communicate with their children. Therefore, in accordance with Policy 4318, students are permitted to possess such devices on school property so long as the devices are not activated, used, displayed or visible during the instructional day or as otherwise directed by school rules or school personnel. Administrators may authorize individual students to use wireless communication devices if deemed necessary. Teachers and administrators may authorize individual students to use the devices for instructional purposes in association with AR 3220 (Bring Your Own Device Initiative) provided that they supervise the students during such use.

Note: The use of wireless communication devices is restricted at any time for bus riders traveling to and from school. Wireless communication devices include, but are not limited to, cellular phones, electronic devices with internet capability, paging devices, two-way radios and similar devices.

It is the student's responsibility to ensure that his/her cell phone or other wireless communication device is turned off completely and kept out of sight unless use has been authorized by appropriate school staff as described in the guidelines in Section A of this policy.

Violations of this policy will result in consequences consistent with Board Policy 4300, Code of Student Conduct.

Family Engagement

AUTOMATED NOTIFICATION SYSTEM

All parents will automatically receive important announcements on their home phone from Wayne County Public Schools via the InstantConnect notification system. In addition to announcements about school closures and delays, parents will receive attendance calls when their child is absent. Parents can manage their own phone, email, and text message preferences within the PowerSchool Parent Portal [See below section for more information]. Parents are also encouraged to provide their child's school the most up-to-date contact information to receive notifications.

ELECTRONIC FLYER DISTRIBUTIONS

WCPS distributes flyers and other non-school materials electronically through the PeachJar system. Flyers will be able to be accessed via email and through the district website. Parents are encouraged to provide the school the most up-to-date contact information for their child in order to receive flyers and other important information electronically.

POWERSCHOOL PARENT PORTAL

Home Base is the statewide student information system, a web application that can be utilized by parents to stay informed of their child's educational progress. Through the portal, a parent can check on their child's assignments, grades, attendance reports and other pertinent information from any internet-connected computer, 24 hours a day, 7 days a week. Parents can also update their child's contact information. In order to access the PowerSchool Parent Portal, parents must first contact the data manager at their child's school to receive their username and password. Afterwards, parents can sign in to the PowerSchool Parent Portal under the "Parent Resources" tab on the district website.

Each school highlights student work through a variety of ways for parents and/or the community, including educational displays/exhibits such as those at Berkeley Mall or Wayne Regional Agricultural Fair, displays at the WCPS administrative offices and/or in local businesses, and most notably through the online Wayne Collection (a digital book that highlights select student artwork and written work from every school). Additionally, there are times when an individual image of a student is shared online or with the news media to highlight an achievement or some other recognition of work. Parents/Guardians WHO DO NOT want to have their child's individual image, achievements, or student work exhibited/recognized online by their school or the district should complete AR 3226-R Parent Request for Non-Publication Form and turn it in to their child's school.
