For our families using iReady at home:

- iReady will not work on iPhones or Android devices.
- If you are using an iPad, please download the iReady App.
- The login site for iReady is <https://login.i-ready.com/>
- We use Google Chrome at school. You can get the latest edition of Chrome at www.google.com/chrome.
- You can use this link to check if your computer meets minimum requirements at <https://cdn.i-ready.com/systemcheck/>
- If your computer does not meet the minimum system requirements and your child is unable to use the program, please contact their teacher and let them know.

iReady is a fantastic learning tool. This is the first time we have had students use it at home. Please let us know the issues you are experiencing by emailing me at kwise@margarettaschooldistrict.com, emailing iReady at i-readysupport@cainc.com, or calling iReady at 1-800-225-0248.
