

Career Research Guide

Basic Home Repair

Red Land High School Library

Go to Schoology – Click on the Library Course

For Choice Planner (databases), click on MackinVia
Type Red Land – wait a minute, click on Red Land High School
Log-in (.bz account and it may do it automatically after the first time)
Click on databases on the left side – OPEN Choice Planner

Choices Planner

Click on the tab SITE ID, then enter **1034874**
Password: **rlpatriots** (all lowercase, no spaces), Enter
Click on Choices Explorer
Select WORK tab at the top – then Career Clusters or Alphabetical List
Pick a career from the list. Remember to look at links on the left.

Sites for Classes

From Library Course, Select Sites for Classes - Careers

This is an alphabetical subject list of web sites the librarian recommends
Go to CAREERS. The links are below, click and research.
Be sure to use the Occupational Outlook Handbook – type in career, great information!

The Sites for Classes Links are also available from the RLHS Library web page

Naviance – Job Descriptions

From the WSSD web site - Students, Quick Links for Students, Click on Clever
Using Clever, Sign-in to Google and Naviance
Look for Job Descriptions – title or job clusters

World Book Online may be useful for some careers, especially the history

Red Land Library Catalog

(CA = Career center) (for sets, look alphabetically by career title)
