Steubenville City School District Families and Staff,

Ensuring students are at school for in-person learning remains our top priority as we begin the 2021-2022 school year. We understand and recognize there are varying opinions within our community regarding mitigation strategies. We all want the same thing, a high-quality educational experience in an environment that is safe and welcoming for all students, staff, and families. It is with these thoughts Steubenville City Schools will be requiring temporary masking for all students and staff, beginning Wednesday, August 18, 2021 except for medical and/or religious exceptions. Masks will be available at all district buildings.

This mitigation strategy will be reviewed at the end of August to determine if it needs to be continued. Thank you for your continued support of Steubenville City Schools.

Sincerely,

*Melinda Young*
