

Hello,

Here are the HESI testing dates for the January 2025 Nursing start. Please make sure that you have provided yourself with enough remediations in Nurse Hub for Math, Reading, Grammar and Vocabulary. Your success **isn't based** on taking the HESI practice test a few times, till you get the score that you need.

I want you to be successful on the first attempt at the HESI entrance exam. Please make the investment and spend time becoming comfortable with each section (math, reading, grammar, vocabulary). This can be done by purchasing the **HESI A2 Exam book** (ISBN# 978-0-323-58226-1) or using **NURSE HUB**.

Remember Nurse Hub will refund you and pay for your retake exam, **BUT YOU MUST DO THE WORK PROVIDED BY NURSE HUB**, for this to happen.

Email: [khowell@auburn cc.org](mailto:khowell@auburn cc.org) to secure your HESI entrance exam date. Times will by 9-2pm
