

Parents & Guardians,
 On Thursday, October 8th, Auburn Career Center will be conducting virtual parent-teacher conferences. The invitation to sign up for a time slot went out last week. During your scheduled time go to the Auburn Career Center website, www.auburncc.org and click on Learn More

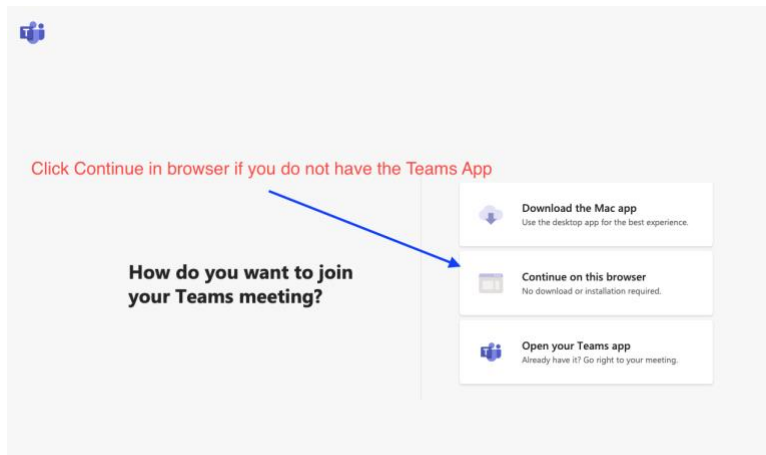

this will open up a pdf file for the links to join the teachers Virtual Meeting space.

Click on the Join Microsoft Teams Meeting link for your child's instructor/program. You should be taken to a webpage that looks like this:

If you do not have Teams, then click on Continue on this browser to open the meeting. The instructor will let you into the meeting at your time slot when they have finished

the previous conference session. We appreciate your patience and understanding as we work through virtual parent-teacher conferences.

If you have difficulties getting into the meeting, please email the instructor, by clicking on their name and they can call you during your conference time.

You can also email the teacher if you would like to schedule a phone conference if you did not sign up for a virtual meeting by clicking on their name in the Parent Teacher Conferences Teams Link3.PDF. Please let us know if you have any questions or concerns by calling the high school office at 440-357-7542.
