What to do for **PREPARING** for the HESI entrance **EXAM**

1. Go to Nurse Hub practice test website: <https://nursehub.com/free-hesi-a2-practice-test/>
2. Take each of the following sections: Math/Reading/Grammar/Vocabulary, once you completed the practice test review results
3. Email the results to khowell@auburncc.org
4. Based on your results will determine your next steps a score of 80% on each of the four-practice test means you are most likely prepared and may take the HESI entrance exam

NEXT STEPS OPTIONS:

STEP 1	STEP 2	
PASSED Nurse Hub practice test	Did NOT PASS all sections	
80% score on all sections means you are most likely to pass the HESI entrance exam the first time	Sign up for NURSE HUB: https://nursehub.com/register/premium/	
Sign up to take your HESI entrance exam by emailing: khowell@auburncc.org	You have options:	
	Option 1 Sign up for 1 month at \$29.99 Follow the 1-month study guide	Option 2 Sign up for 3 months at \$59.99 Follow the 3-month study guide
	When complete and prepared sign up to take your HESI entrance exam by emailing: khowell@auburncc.org	When complete and prepared sign up to take your HESI entrance exam by emailing: khowell@auburncc.org

NOTE: NURSE HUB only goal is to help you pass your exam. In the unlikely case that Nurse Hub online courses do not help you achieve your school’s minimum required score for the HESI A2®, Nurse Hub **we will refund you up to three months and pay for your exam retake.** It’s as simple as that. Sign up, complete Nurse Hub online courses for the test you need to take, and Nurse Hub promises you a passing grade.

HESI ASSESSMENT BLUE PRINT

Grammar

55-item exam. Contains basic grammar, including: parts of speech, important terms and their uses in grammar, and commonly occurring grammatical errors. Recommended time: 50 minutes.

Reading Comprehension

55-item exam. Reading Scenarios that are not health related. Provides reading scenarios in order to measure reading comprehension, including: identifying the main idea, finding meaning of works in context, passage comprehension, making logical inferences, etc. The reading scenarios pop up on the screen. Students can move around the windows to see the entire scenario. Recommended time: 60 minutes.

Vocabulary and General Knowledge

55-item exam. Contains basic vocabulary that is often used in health care fields. Recommended Time: 50 minutes.

Math

55-item exam. Focuses on math skills needed for health care fields, including basic addition, subtraction, multiplication, fractions, decimals, ration and proportions, household measures, and general math facts that are useful, for example, when calculating drug dosages and solutions. Recommended Time: 50 minutes.

Personality Style

15-item assessment of personality related to preferred learning style. Students receive a printout with study tips based on their learning style and personality profile. Recommended Time: 15 minutes.

Learning Styles

14-item assessment of preferred learning style. Recommend Time: 15 minutes.
