

The Asheboro City Board of Education believes that in almost all cases the child should attend the school that serves his/her domicile. Exceptions to this will be made in limited circumstances within the criteria provided below and any administrative procedures established by the superintendent.

**A. ASSIGNMENT AREAS**

The superintendent shall recommend to the board school assignment areas for the schools in the district.

The assignment areas will be developed in accordance with applicable Legal Requirements, the need to serve all school-age children who live in the school district; and the effective use of each school facility. Assignments will be made in a non-discriminatory manner.

The superintendent shall review periodically the assignment areas and submit recommendations for revisions to the board when necessary.

**B. ASSIGNMENT OF STUDENTS**

The superintendent or designee shall assign students to particular schools in accordance with the following standards.

**1. Students Admitted Based on Domicile**

Except as otherwise provided in this policy, students admitted to the school system based on domicile will be assigned to the school of the appropriate grade span within the assignment area of the student's domicile (or residence location if the student is exempted from the domicile requirement, as described in policy 4120, Domicile or Residence Requirements).

**2. Students Accepted for Discretionary School Assignment**

Students who are accepted for discretionary school assignment under policy 4130, Discretionary School Assignment, will be assigned to a school that meets the best interest of the student and the orderly and efficient administration of the school system.

**3. Homeless Students and Students in Foster Care**

Notwithstanding any other provisions of this policy, the superintendent or designee shall (1) assign homeless students in a manner consistent with state and federal law and policy 4125, Homeless Students; and (2) assign students in foster care to their school of origin unless contrary to their best interest, as required by federal law and as feasible.

4. Students Participating in the Address Confidentiality Program

Students who are participating in or whose parent is participating in the North Carolina Address Confidentiality Program established by G.S. Chapter 15C will be assigned on the basis of their actual address, but such address will remain confidential in accordance with law and policy 4250/5075/7316, North Carolina Address Confidentiality Program.

5. Students with Disabilities

Students with disabilities receiving services under an Individualized Education Program (IEP) or Section 504 plan will be assigned to schools in accordance with this policy unless the superintendent or designee determines the student needs a different assignment to provide access to a program or service required under the IEP or Section 504 plan, as determined by the student's IEP or Section 504 team.

6. Administrative Assignment

The superintendent or designee may administratively assign a student to a school other than the one to which the student would otherwise be assigned under this policy when deemed in the best interest of the student and/or the effective administration of the schools, such as for reasons related to student safety, discipline, or programmatic issues, or when required by law.

7. Assignment to Alternative Program or School

Students will be assigned to an alternative education program or school in accordance with policy 3470/4305, Alternative Learning Programs/Schools.
