June 4, 2022

Graduation, 1:30PM, Farm Show, Mandatory

- **Arrival:** Arrive at the Farm Show by 12:30PM, report to the main arena hallway.
 - **DO NOT** bring any items with you to the venue, you will not have a secure location to store them.
- **Expectations for Behavior:** Graduation is the formal ceremony to celebrate the achievement of this goal. The staff and administration believe distractions can prevent many students from receiving earned recognition for their accomplishments. We strongly believe graduation needs to be preserved as a formal and dignified ceremony. The following measures, therefore, will be enforced:
 - A very clear message regarding expectations for behavior will be given to the students at their senior meeting regarding graduation.
 - All parents are asked to speak with graduating seniors about appropriate behavior and support the staff and administration in their mission to provide a dignified Commencement Ceremony.

- Graduating seniors who engage in inappropriate behavior will be removed from the ceremony. This step is not one we wish to take. We will, however, do so to ensure that ALL graduates receive appropriate recognition and that the ceremony remains formal.
- Please assist us with this effort to provide seniors with the best possible graduation ceremony honoring their accomplishments.
- **Attire Expectations**
 - Business Casual.
 - No tennis shoes, heels are NOT recommended.
- **Cords:** Graduates must return any loaned cords when exiting the stadium
- **Diplomas:** Diploma pick up will be available in the arena hallway, as you exit the arena. If you do not pick up your diploma immediately following the end of the ceremony, it will be available in the high school office during normal school hours.

On behalf of the Red Land administration and faculty it is my pleasure to extend to you congratulations on our best wishes for a successful and rewarding future!

Sincerely,

Melissa Herbert
