I am seeking enrollment in the Center for Workforce Development Adult Learner Commercial Driver License Training Program. I understand to be eligible and admitted to this training program I must be in possession of a valid New York State Class D Driver's License. I voluntarily consent to the Monroe 2-Orleans BOCES searching the DMV database to confirm that I am the holder of a valid New York State Class D Drivers License. I understand, acknowledge and consent to the Monroe 2-Orleans BOCES conducting this search and I consent to the Monroe 2-Orleans BOCES having access to private and personal information including my photograph, social security number, driver identification number, name, address telephone number, and medical or disability information, vehicular accidents, driving violations, and/or driver's status. I understand that only one Monroe 2-Orleans BOCES employee will have access to that personal information when searching the database. The Center for Workforce Development will only be told that I do or do not possess a valid Driver's license.
