

# Antwerp Archers “Makers” Club

**What:** “Makers” Club - Shoot and **MAKE** a certain number of shots between May 23rd – September 25th, 2021. The “Makers” club is a shooting program that is designed to get boys and girls in the basketball program to become better shooters while we provide incentives. This is an incentive for YOU to improve YOUR own game! BASKETBALL PLAYERS NEED TO WORK ON THEIR OWN IN THE SUMMER TO BECOME BETTER! HARD WORK PAYS OFF!

**Eligibility:** All ages between Kindergarten and 12th grade, boy or girl. Amount of shots will vary by age.

**How:** Count the shots you make every time you shoot. The shot goals for the number of shots made for each age group are as follows (grade is determined by the player’s grade for the upcoming 2021-2022 school year):

## **Grade Level Goals (based on 2021-2022 School Year)**

- K – 2<sup>nd</sup> grade: 2,000 makes (shots may be taken on adjustable basket)
- 3<sup>rd</sup> – 4<sup>th</sup> grade: 3,000 makes(10’ Basket or adjustable rim-depending on strength)
- 5<sup>th</sup> – 6<sup>th</sup> grade: 6,000 makes(all shots must be taken on 10’ Basket)
- 7<sup>th</sup>—8<sup>th</sup> grade: 8,000 makes(all shots must be taken on 10’ Basket)
- High School Players: 10,000 makes(all shots must be taken on 10’ Basket)
- All grades: if 10,000 shots are made, you receive the reward noted below plus a special prize

## **Counting “Makes”:**

**Clinics and Camps Credit:** We want you to concentrate on the teachers at your clinics and camps, so don't worry about counting makes during those sessions. Give yourself an automatic 150 MAKES for an all day camp or clinic, 100 MAKES for a half day camp or clinic, and 75 makes for camp that is less than 4 hours long.

**Summer Games and Practices:** Again concentrate on your coaches and the games, do don't count MAKES during either of these sessions. Give yourself 25 makes per game.

**Reward:** Shot club T-shirt, recognition at a Antwerp Varsity Basketball game. Additional awards will be given for 15,000 shots made and for 20,000 shots made.

**Instructions:** Follow these simple instructions:

- Shoot, shoot, and shoot some more – with GOOD shooting form. Shooting ALL layups does not count. Vary your shots for game type situations including free throws.
- Count how many shots you make
- Complete the shooting club form to easily track your shots made – including signature by a parent
- Send in monthly shot chart if possible to Doug Billman: 419-769-1774
- I will take charts at the end as well

**Players** – this can be a great goal for your summer and keep you working on your basketball skills. Incorporate all your skill work into your different shooting routines.

**Parents** – this is a great way to get involved with your kids’ basketball skill development. Get out there and shoot with them to really make it fun!

**Thank you for participating in the Antwerp Basketball “Makers” Club. We are looking for your participation and skill improvement. Go Archers!**
