## Ohio State Test Results Available on ProgressBook

**Date:** May 24, 2024

**From:** Elyse Boyer, Director of Curriculum & Technology Integration/Innovation

**Subject:** Ohio State Test Results Released on Progress Book

We're excited to announce that you can now view your child's Spring 2024 Ohio State Test results online! This is in accordance with a new law (HB33) requiring schools to make these scores available to parents by June 30th each year. Detailed family reports prepared by the Ohio Department of Education and Workforce will arrive in the District in late July and will be sent home, as they have been in the past.

**Where to Find Scores:** You can access your child's scores through the ProgressBook parent/student portal and app starting **Friday, May 24th**.

### Two Ways to Access:

- **Website:** Log in to ProgressBook from the "Parent Tab" on the school webpage (like you would to check grades). Then, select "Assessment Scores" from the menu icon (top left) and choose "Next Generation Assessments" (grades 3-8) or "End of Course Exams" (high school).
- **Mobile App:** Open the school app, select "Quick Links" -> "ProgressBook" -> Menu Icon (three lines top left) -> "Assessment Scores." Choose "Next Generation Assessments" (grades 3-8) or "End of Course Exams" (high school).

### Understanding the Scores:

- The scores for each assessment are reported as a scaled score and a performance level. A scaled score of 700 is required to be proficient on all Ohio State Tests. Performance levels are determined by the scaled score. On Progress Book, the performance level is given as 1-5; and they are presented on family reports as Limited (1), Basic (2), Proficient (3), Accomplished (4), and Advanced (5).
