

How to Submit Your Graduation Plan

As part of the pathway to [Ohio's Graduation Requirements](#), students must show that they have completed all three parts: credit requirements, competency and readiness.

You will complete a graduation plan to help you keep track of these requirements. This is a working plan and you will update it every year.

Create Your Graduation Plan

Open the assignment, Graduation Plan google sheet, in your Google Classroom for Class of 202X.

Today you will complete the bottom half of Tab 2: EOC & Seals and Tab 3: Four Year Plan. You can use Tab 1: Courses as a reference to fill out the four year plan and to see the honors diploma criteria.

Tab 1: Courses

You must earn 24 credits to graduate with an advanced diploma.

Are you working towards an [honors diploma](#)? Take a look at the criteria to see what you need.

Tab 2: EOC & Seals

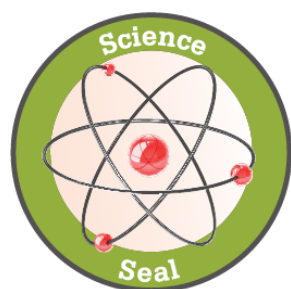

My Competency

You must earn a passing score on the ELA 2 and Algebra 1 EOC tests (must score 684 or higher). If you do not earn a passing score, you will retest at least one time before choosing an alternate pathway. If you have passed the ALG 1 and ELA 2 (English 10) test with a 684 or higher, mark the appropriate checkboxes.

My Readiness

You must earn two seals. Click on the seal below for information about each seal. You will check the appropriate checkbox if you have completed the criteria for earning a seal.

My Plan to Show Competency and Readiness

As part of your plan, you will mark how you plan to show competency and readiness.

Competency: Most of you will earn a passing score on the ELA II and ALG 1 tests so mark the checkbox saying you plan to “earn a passing score on the ELA II and ALG I EOC tests.

Readiness: You must earn two seals, however, you can earn more. Mark the checkbox for any seal you plan to earn.

My Post High School Plan

What kind of education or training are you planning on after high school? Think about your career cluster and do some research about what kinds of education or training is required to get there. If you need help, go back to your Pathful Explore report.

Check the appropriate box.

My Future Career

Choose a career cluster. Use the information you gathered from your Pathful Explore assessments. Don't worry about making the wrong choice - you can always go back and change it at a later time.

Type in your future career choice.

Tab 3: Four Year Plan

Start filling in the four year plan to help you plan for the next three years of high school. Use the courses tab to help guide you in filling out the required classes.

As a reminder you need the following minimum requirements:

Graduation Requirements

1st, Earn 24 Total Credits (advanced diploma):

English - 4 credits
Math - 4 credits
Social Studies - 3 credits
Science - 3 credits
Health (1 course) - .5 credits
PE (2 courses) - .5 credits or 2 PE waivers
Fine Arts - 1 credit
Personal Finance - .5 credits
Electives - 7.5, 8 if using a PE waiver

* 22 credits required for a standard diploma

Are you planning to go to college? You will also need to consider taking a World Language (minimum of 2 years)
