### INSPIRE

Our word for this year is INSPIRE. According to the Vocabulary.com, "Inspire means **to excite, encourage, or**

**breathe life into.** Inspire comes from the Latin word that means to inflame or to blow in to. When you inspire something, it is as if you are blowing air over a low flame to make it grow. A film can be inspired by a true story. Studying for your test will inspire confidence in you.

In 250 words, **"Explain what it means to be inspired or to be an inspiration."** Click on the link below to submit your essay for a chance to win a gift card. The winner will be announced on Friday, September 30, 2022.
