College and Career Readiness Newsletter

Mr. Rodney Graves, Principal

(864) 279-6700 - 381 Cherry Hill Road, Spartanburg, SC 29307

National Hope Day is celebrated on the first Wednesday in April. For us, this special day will be in the middle of our spring break, Wednesday, April 6, 2022.

Our students here at Broome High School are our **“Students Of Hope.”** So what does hope really means? The Oxford language dictionary defines HOPE as *a feeling of expectation and desire for a certain thing to happen.*

In a humbler language, hope is the belief we hold during tough times that things will get better. Hope is both a verb and a noun. As a verb, it means to want, expect, anticipate or yearn. As a noun it suggests optimism, anticipation, possibility and promise. A more modern reference from Dictionary.com defines hope as a noun: “the feeling that what is wanted can be had or that events will turn out for the best”. Hope doesn’t mean wishful thinking—as in “I hope I win the lottery.” Instead, here are a few strategies to consider: 1. Set clear and attainable goals, 2. Develop multiple strategies to reach those goals, 3. Stay motivated to use the strategies to attain the goals, even when the going gets tough. Hope is a feeling that inspires us. Take some time this month to strategize your HOPE strategy and spread HOPE throughout our community.

Good News!!

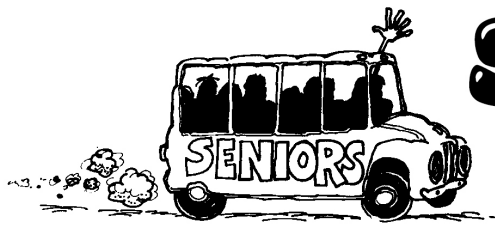

Limestone College

Limestone University invited our young ladies (*junior and seniors*) to participate in their annual **Women in Technology and Science (WITS)** symposium on **Friday, March 25,**

2022. During the symposium, our students learned about various careers available in the STEM disciplines, participate in multiple hands-on learning projects, speak with current college students and faculty members, enjoy an elegant lunch, and hear from a female speaker who has experienced success in a STEM career. Our students were also asked to complete the symposiums STEM Star application and attach a reference letter. Completing this process made our young ladies eligible to be chosen as Limestone University—STEM Star Students. There were 6 awards given and Broome High School students received them all. Congratulations to all our students for participating and a special “CONGRATULATIONS” to our **Limestone University STEM Star Students.**

SENIOR and Information TRIP

Our Broome High School Seniors are invited to participate in the South Carolina Commission on Higher Education (CHE) first ever annual South Carolina College and Career Decision Day Rally! Mirrored after National Signing Day, this event will recognize and applaud students deciding to attend any college, university, community college, vocational or training program, join the military, or enter the workforce.

College and university representatives, representatives from the business community, representatives from the armed forces, state legislators, and local celebrities will be present to witness and support students as they take charge of their futures.

This event will be held on **Wednesday, May 4, 2022 from 8:00am – 3:00pm**. All high school seniors across the state are invited. Students will need to bring money for lunch. There will be games, college and career resources, food trucks, and more.

***Please note:** Senior students must have a “C” or better in each class and no more than 10 absences to attend. No sweatpants and/or hoodies will be allowed, please dress appropriately.

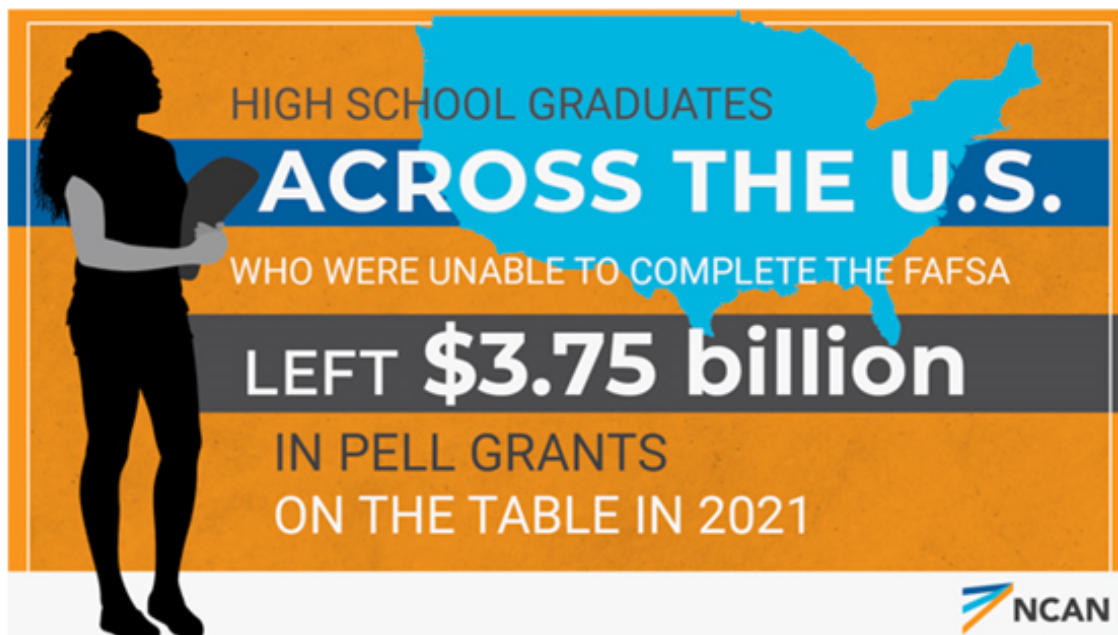

If you are interested, please pick up a permission slip from Mrs. Goode (106) or guidance. **Permission slips are due on or before Friday, April 29, 2022.**

Calling all **Class of 2022 Seniors**, complete the College and Career survey below. This survey should take you approximately 4 minutes to complete. The purpose of this survey is to learn about your postsecondary plans and preparations. We would like to follow-up with you and help you achieve your goals even after you leave high school. **We will also use this information to create the College and Career PowerPoint that will be shared on the BHS website, graduation programs and our You-Tube channel.** **Please complete this survey by Thursday, April 21, 2022.**

The National College Attainment Network is providing this information to make students and parents aware of why it's important to complete the FAFSA application. The information provided on the FAFSA determines whether students are eligible for, among other types of aid, the Pell Grant—a federal, need-based award that does not need to be repaid. The high school class of 2021 left an estimated \$3.75 billion in Pell Grants on the table by not completing the FAFSA, according to an NCAN analysis.
