College and Career Readiness Newsletter

Mr. Rodney Graves, Principal

(864) 279-6700 - 381 Cherry Hill Road, Spartanburg, SC 29307

To the Class of 2022, a poem by Edgar Guest, ***It Couldn't be Done*** "Somebody said that it couldn't be done, but he with a chuckle replied, That "maybe it couldn't," but he would be one, who wouldn't say so till he'd tried. So he buckled right in with the trace of a grin on his face. If he worried he hid it. He started

to sing as he tackled the thing,
that couldn't be done, and **he did it**. Somebody scoffed: "Oh, you'll never do that; At least no one ever has done it"; But he took off his coat and he took off his hat, And the first thing we knew he'd begun it. With a lift of his chin and a bit of a grin, without any doubting or quiddit. He started to sing as he tackled the thing that couldn't be done, and **he did it**. There are thousands to tell you it cannot be done, there are thousands to prophesy failure; there are thousands to point out to you one by one, the dangers that wait to assail you. But just buckle in with a bit of a grin, just take off your coat and go to it; just start in to sing as you tackle the thing that "cannot be done," and **you'll do it**.

Take the Survey

Calling all **Class of 2022 Seniors**, complete the College and Career survey below. This survey should take you approximately 4 minutes to complete.

The purpose of this survey is to learn about your postsecondary plans and preparations.

We would like to follow-up with you and help you achieve your goals even after you leave high school.

We will also use this information to create the College and Career PowerPoint that will be shared on the BHS website, graduation programs and our You-Tube channel. The date to complete the survey has been **extended to Friday, May 6, 2022.**

The National College Attainment Network is providing this information to make students and parents aware of why it's important to complete the FAFSA application. The information provided on the FAFSA determines whether students are eligible for, among other types of aid, the Pell Grant—a federal, need-based award that does not need to be repaid. The high school class of 2021 left an estimated \$3.75 billion in Pell Grants on the table by not completing the FAFSA, according to an NCAN analysis.
