**Need help  
completing the  
FAFSA application!!!**

# FAFSA Friday

**March 10**

**Career Development Lab 106**

**8:30am—2:00pm**

**Need help  
completing the  
FAFSA application!!!**

Financial Aid professionals will be at BHS to help parents and students complete the FAFSA application.

**WHY????** To maximize your chances of qualifying for aid, you must submit your FAFSA application as soon as possible. You are more likely to qualify for federal, state, and college-offered grants/scholarships if you file the FAFSA early.

Completing your FAFSA now, will allow colleges the ability to use that information to produce your financial aid award letter. Having a financial aid award letter will make comparing colleges much easier, as you can quickly compare what each school's cost will be after applying grants and scholarship awards.

**The FAFSA application usually takes approximately an hour and a half, that's if you have all the required documentation. Below is a list.**

- **Personal Documentation Needed:**
  1. Student Social Security number
  2. Parent(s) Social Security numbers if you are a dependent student
  3. Student driver's license number, if applicable
  4. Student Alien Registration number, if not a U.S. Citizen
- **Financial Information:**
  1. Your Social Security number (*it is important that you enter it correctly on the FAFSA form*)
  2. Your driver's license number if you have one
  3. Federal tax information or tax returns including IRS W-2 information, for you (and your spouse, if you are married), and for your parents if you are a dependent student:
    - a. IRS 1040
    - b. Foreign tax return, IRS 1040NR, or IRS 1040NR-EZ
  4. Records of your untaxed income, such as child support received, interest income, and veterans noneducation benefits, for you, and for your parents if you are a dependent student
  5. Information on cash; savings and checking account balances; investments, including stocks and bonds and real estate (but not including the home in which you live); and business and farm assets for you, and for your parents if you are a dependent student

**When completing the FAFSA Application— Please remember.....**

- ♦ **Both** you and your parent/guardian will need a **FSA ID**
- ♦ You will need your parents 2021 Tax Information
- ♦ You will need to complete the 2023-2024 application.

# College Board Opportunity Scholarship

Juniors and Seniors are you looking for scholarship opportunities? All juniors are now eligible to sign up and take action for [College Board Opportunity Scholarships](#) along with our seniors.

## [Action Steps for Juniors](#)

### [Build Your College List](#)

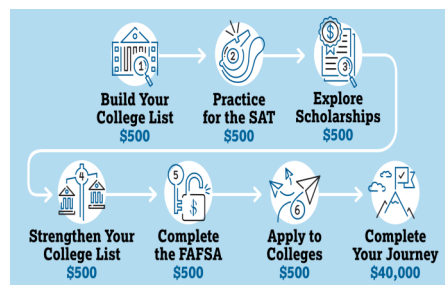

#### Open Through June

Students who create and save a college list on BigFuture™ with six or more schools will

earn an entry to this scholarship.

#### Open Through October

Students who start using Official SAT® Practice on Khan Academy® by completing a Timed Mini Section (if they already have a PSAT-related assessment or SAT score) or Diagnostic Quiz (if they don't yet have a score) will earn an entry to this scholarship.

The College Board Opportunity Scholarships program guides you through the college planning process and offers you a chance to earn money for college for each action you complete. The more effort you put in, the more opportunities you'll have to earn. It doesn't require an essay or an application, and it doesn't have a minimum GPA or test score requirement. Scholarships can be used at 2- and 4-year colleges.

Learn more and get started at [cb.org/opportunity](https://collegeboard.org/opportunity).

- **1. Build Your College List: \$500**  
Get started by exploring colleges you're interested in on BigFuture™.
- **2. Practice for the SAT: \$1,000**  
Use Official SAT® Practice on Khan Academy® to get ready for test day.
- **3. Improve Your Score: \$2,000**  
Show how practice pays off by improving your SAT score from your PSAT™ 10, PSAT/NMSQT®, or a previous SAT score.
- **4. Strengthen Your College List: \$500**  
Make sure your college list on BigFuture has a mix of safety, match, and reach schools.
- **5. Complete the FAFSA: \$1,000**  
Fill out the Free Application for Federal Student Aid (FAFSA) to apply for financial aid.
- **6. Apply to Colleges: \$1,000**  
Apply to colleges you want to attend.
- **Complete Your Journey: \$40,000**  
Complete all six scholarship steps to be eligible for a \$40,000 scholarship.

Admission into the upper division, or final two-years of study, in the nursing program is competitive. All applications are carefully reviewed. Minimum admissions criteria for Bachelor of Science in Nursing applicants are listed below.

#### General Admission Requirements

- Applicants must be admitted to the University of South Carolina Upstate and have a minimum cumulative GPA of 3.0 on a 4.0 scale.
- Minimum GPA requirements must be maintained through the completion of all prerequisite courses.
- Applicants must earn a C or better in all prerequisite courses to be considered for admission.
- Applicants must have a minimum required science GPA of 2.5 on a 4.0 scale.
  - The five courses included in the science GPA are:
    - Human Anatomy & Physiology I and II
    - Chemistry of Living Things
    - Pathophysiology
    - Microbiology
  - These courses must be successfully completed in 2 attempts (W, WF, and AUD count as one attempt) to remain eligible for admission.
- An applicant who fails two required science courses, any two nursing courses\*, or a combination of the two by earning a grade less than a C will be ineligible for admission.
  - Examples that would cause ineligibility include, but are not limited to:
    - A grade below a C in Chemistry twice
    - A grade below a C in Anatomy and Physiology I and Medical Terminology
    - A grade below a C in Anatomy and Physiology II and Microbiology
    - A student withdraws and receives a W for A&P I, then in a second attempt, makes a grade below a C in A&P I. The student has exhausted the attempts for that course.
  - Retaking a course for a passing grade does not negate the previous failure.
- The College of Nursing does not recognize the grade forgiveness policy of USC Upstate or any other school.
- Applicants must have completed all prerequisite requirements prior to beginning upper-division nursing courses. All prerequisites must be completed by the end of the previous major semester (fall or spring). If applying for fall term, one course may be taken over the previous summer at a USC system campus only.

#### Science and Nursing Course Policies

In addition to the science and nursing\* course notes above:

- Applicants must have completed two of the five required science courses and be enrolled in a third required science at the time of application.
- All science and nursing\* courses must be completed within five years.
- If an applicant has two nursing failures at any level from any school within the last 5 years, they would be ineligible for the program.

\*Nursing courses are defined as any USC Upstate course with a prefix of NURS or any course that is accepted as an NURS course for our program.

Applications Open  
Nov. 1 (Fall Admission)  
May 1 (Spring Admission)

#### National Council Licensure Examination – Registered Nurse

Upon successful completion of the four-year track, graduates will be eligible to apply to take the National Council Licensure Examination (NCLEX RN) for licensure as a registered nurse.

## AVIATION PROGRAM

In partnership with the Spartanburg Downtown Airport, The Science Center is serving 16-20 year olds in the community with quarterly classes that expose students to career opportunities in the aviation field.

### OH, THE POSSIBILITIES

This diverse program curriculum demonstrates all the possibilities in working in the aviation field. It allows young people to see what the aviation field has to offer in more ways than just being a pilot.

### FLY THE AIRPORT FLIGHT SIMULATOR

Learn how technology is creating a cost effective way to train pilots by experiencing a flight simulator as it re-creates aircraft flight and the environment in which it flies.

### REFUEL AND SERVICE AN AIRCRAFT

Learn about the types of ground equipment and support services that are required to refuel and service an aircraft.

### ATTEND AN FAA SAFETY MEETING

This class will show how the FAA is cornerstone in aviation safety and creating aviation policy. The Federal Aviation Administration (FAA) is a governmental body of the United States with powers to regulate all aspects of civil aviation.

### FLY TO LUNCH

Fly a powered flight to a local airport for lunch. See what it takes to become a pilot in command of an aircraft that is directly responsible for, and is the final authority as to, the operation of that aircraft.

### AVIATION MECHANIC FOR A DAY

Work alongside a licensed aircraft mechanic in carrying out maintenance, preventive maintenance, and alteration of aircraft and aircraft systems.

### CIVIL AIR PATROL

Attend an educational class with the Civil Air Patrol, the official civilian auxiliary of the United States Air Force. This will provide an inside look at how the Civil Air Patrol progresses into the United States Air Force as a career.

### GLIDER THROUGH THE SKY

Learn how physics and weather patterns provide flight through experiencing an instructional glider flight around the local area. A glider is a heavier-than-air aircraft.

THE NEWEST ADDITIONS TO  
OUR SCAP CLASS INCLUDE A  
HOT AIR BALLOON SESSION  
AND A DRONE CLASS IN  
BARNET PARK!
