Re: Notification that a staff member at Bloomfield High School has tested positive for COVID-19.

This memorandum is to inform you that the district received notification that a staff member at Bloomfield High School has tested positive for COVID-19. While we must protect the privacy of the person involved, we wanted to take this opportunity to communicate with you regarding the facts of the situation.

- The district has notified families and staff members who may have been exposed.
- Because this case has not resulted in any additional necessary precautions or quarantines, Bloomfield High School will continue with the current instructional format.
- The District will continue to follow all COVID-19 related safety procedures. Please be cautious of the symptoms of COVID-19, which include fever, cough and shortness of breath. If you or any member of your family exhibit these symptoms, please contact your medical provider for advice immediately. Symptoms usually appear 2-14 days after exposure.

There is nothing more important to the District than the safety and health of our students, our staff and their families. Rest assured that the administration is consulting and working with the Trumbull County Health Department to ensure that we are following all safety procedures and guidelines.
