January 25, 2021

Dear Parents:

Beginning Monday, February 1, all Dover High School students (grades 9-12) will return to school in A1: Face-to-Face Instruction. We look forward to a return to five days a week of face-to-face instruction for our high school students. DHS students only will finish this week (Jan. 25-29) in A2: Modified/Hybrid Instruction before beginning their full in-person return next week.

All students in grades K-8 have returned to A1: Face-to-Face Instruction, so this change to our high school schedule on Monday, February 1, will bring students in the district back to our school buildings daily.

We will continue to implement health and safety protocols at school, but staying home when sick is one of our best ways to fight COVID-19 spread in our schools. Parents, PLEASE keep your children home from school and activities when sick and/or experiencing COVID-19 symptoms.

Additionally, if you are awaiting COVID-19 test results on any symptomatic member of your household, please keep all children home from school and activities until you receive the results. All of this helps stop the spread of the virus to other children, staff, and our community.

We are grateful for all you and your families have already done and continue to do toward this effort.

Sincerely,

Carla Birney
Superintendent

A Distinguished History and a Dynamic Future
