**COVID-19 Update: May 6, 2020**

**\*\*\*It's Teacher Appreciation Week!\*\*\***

This week is National Teacher Appreciation week. As COVID-19 has shaken up the school year in ways we could have never imagined, our teachers have been forging through all of the unknowns and constantly adapting themselves to these "new norms". It's safe to say that our Mapleton Teachers have taken the charge of Virtual Learning by the horns and have continued to educate our students in ways that aren't radical or surprising (because we already knew they were awesome!) but rather adaptable and meaningful. The phrase, in this together, truly means just that - we are all in this together - and our teachers are the glue holding us there. **THANK YOU MAPLETON TEACHERS...for choosing - every single day - to put our students first! You don't only educate our students, but you sacrifice your time, put forth tremendous effort, care and nurture in some of the most meaningful ways, and go that extra mile to help our students grow. THANK YOU for everything you do!**

There are 3 possible ceremonies that could take place at the end of May or early June. These 3 potential plans include: 1) a social distancing traditional commencement ceremony held at John E. Camp Stadium with a limited number of guests, 2) a drive-thru commencement ceremony held in the parking lot of Mapleton High School, or 3) a virtual commencement ceremony. The original date of May 31st, along with other dates, are being considered. As we navigate through specific restrictions and requirements, a final decision will be made in approximately 2-3 weeks. Thank you for your patience in this situation. We are extremely proud of our graduating Class of 2020 and are dedicated to recognizing their accomplishments in a manner that's safe for all involved!

## Important Information about Your Child's School Meals

If you have a child in kindergarten through twelfth grade in your household who was receiving free or reduced-price meals while in school, your child is eligible for the Pandemic Electronic Benefit Transfer (P-EBT) program to receive Supplemental Nutrition Assistance Program (SNAP) benefits as a result of the school closure.

### What are the benefits the child will receive?

The amount of benefits is \$5.70 per child for each school day the child was eligible for free or reduced-price meals between March 17, 2020 through May 29, 2020.

### Do I have to accept the card and use it?

- » No, your participation in the program is voluntary.
- » If you choose not to participate, please dispose of your card by cutting through the magnetic stripe on the card and discard the card in a secure manner.
- » If you do not want the card, you will not be able to redeem the food benefits, nor can you transfer the card to someone else.

### How can I use these benefits?

These benefits can be used to buy food items at grocery stores/retailers that accept the Ohio Direction Card (also referred to as an EBT card).

If the child is a current SNAP recipient:

- » By the end of May, the P-EBT benefits may be added to the account on which the child is active.
- » If the child was unable to be matched to his or her active SNAP account, you will be sent a P-EBT card in the child's name.

If the child is not a current SNAP recipient:

- » By mid-June you should receive a preloaded P-EBT card in the mail. The card will be in the child's name, not the parent or guardian's name. Instructions on how to activate the card will be included.

If you have any questions, please contact 1-866-244-0071.
