Dear Mapleton Family:

The Thanksgiving holiday and Christmas season are quickly approaching. Many people take this opportunity to visit with family and friends, both locally and out of state. We would like to remind you that if your family is traveling out of state at any time, whether it be Thanksgiving or Christmas, that your family and the students that attend any of the Mapleton buildings will be required to self-quarantine for 14 days, upon return, depending on the state.

The states are listed on the Ohio Department of Health website, <https://coronavirus.ohio.gov/wps/portal/gov/covid-19/families-and-individuals/COVID-19-Travel-Advisory/>. The state of Ohio updates the list every Thursday. Please monitor this list when you are traveling.

If this is the case, your child will be excused from school and school work will be provided during this time.

Please let me know if you have any questions.

Sincerely,

Michelle Roblin
