

Lonny Rivera, Director of Innovation,  
North Point Educational Service Center

### **Future Ready Framework: An Overview**

The Future Ready Framework will be explained. Participants will learn how to use the framework as a school improvement tool. An introduction to the seven gears will be given:

- 1) Curriculum, Instruction, and Assessment;
- 2) Personalized Professional Learning;
- 3) Robust Infrastructure;
- 4) Budget and Resource;
- 5) Community Partnerships;
- 6) Data and Privacy;
- 7) Use of Space and Time
