

# THE MS/HS HAWK'S REPORT

MARCH 2024

## Message from the Principal

March is Music in Our Schools Month! Congratulations to the cast and crew of *Little Shop of Horrors* on a successful production! Thank you to the Burkes on another successful show! We as a school community are grateful for opportunities that bring us closer together as a Holley family. Thank you to all involved with the musical for engaging us in a shared enjoyable experience filled with laughter.

We invite families and community members back to Holley Middle/High School on March 26th at 7:00PM for our district choral concert and on March 27th at 5:00PM for our district art show followed by the district band concert at 7:00PM. The art show will be held in the large light court at the Middle/High School. We truly appreciate how wonderful our audience was during the musical and look forward to another large turnout at our concerts. We continue to ask patrons to stay for the duration of the concert to support all of our musicians.

Parent-Teacher Conferences are at the Middle/High School on March 21st from 3:00-6:00PM. If you are interested in meeting with a specific teacher, please reach out to them via email. Email addresses can be found on our updated website! We are continuing to make improvements to the Middle/High School section of the district website so please stay tuned!

We hope everyone has a wonderful March and takes time over Spring Break, March 29th to April 8th, to rest and relax. If you have any questions or concerns, please do not hesitate to contact me at [mfeldman@holleycsd.org](mailto:mfeldman@holleycsd.org) or via phone at 585-815-5459.

Sincerely,  
Mr. Feldman  
MS/HS Principal

Most Valuable Player: Hunter Jewell-Smith

Sportsmanship: William Kruger

Most Improved: Parker Denning

Most Promising: Brenden Eichas

## Art

### Check and change your calendar!

#### March is Youth Art Month

March is nationally known as Youth Art Month! It is an annual observance each March to emphasize the value of art education for all children and to encourage support for quality school art programs. This year's theme is Dream in Art!

The district wide k-12 art show has moved to **Wednesday, March 27th at 5:30-7.**

Come to the High school (Light court A) and see how creative and hard-working our students have been so far this year. Award winning senior, Kayla Neale will be presenting her artistic body of work and answering questions from attendees as part of her Portfolio final.

There will be concessions for sale with proceeds supporting the Middle school and High school Art Club! A large assortment of donated art supplies will be available as part of a free raffle.

Spring is in the air and with it comes greater opportunities for the Visual Arts students to get outside, be inspired and create art.

### Holley student in BOCES 2 CTE program signs on for FLYAP

On Feb. 9, Monroe 2-Orleans BOCES Career and Technical Education (CTE) students signed on the dotted line for the Finger Lakes Youth Apprenticeship Program (FLYAP). Eleven BOCES 2 CTE students were a part of the fifth annual "Signing Day" ceremony, commemorating their acceptance into paid co-ops and job shadowing opportunities through several local advanced manufacturing companies.

Holley student Gary Falls (Residential and Commercial Electrical) signed on to shadow with Atalys.

These opportunities will help the students expand upon the skills and knowledge they have gained from their respective BOCES 2 CTE programs.

## Library

It is starting to feel like spring in the library! We have been excited to see more and more students checking out books just for fun! Students have also been recommending their recent reads with friends. We hope this joy of reading continues to bloom! When not working or reading, students have also been utilizing the library for meeting up with their peers for games and Makers crafts. Be sure to check out our new Supernatural and Sci-Fi books being displayed!

## Musical

Congratulations to the cast of *Little Shop of Horrors* for putting on a wonderful performance! They worked tirelessly to put on a terrific show for the community. Great job all!
