# PRINCIPAL'S MESSAGE

We are busy at work preparing for school this September. We hope thus far everyone is enjoying the warm summer weather!

We know many students are anxiously awaiting their schedules. Students entering grade 7 will receive their schedules at the SOAR orientation on August 22nd. Students in grades 8-12 will have their schedules mailed home to them later this summer.

All students must carry a minimum of 6.5 credits. In some cases a student may have less than 6.5 credits on their schedule and a note to see their counselor the first week of school. In this case a student may not have gotten into a course they have selected. We pride ourselves on being a small school with large school opportunities. While we offer several courses, due to our small size students may run into conflicts in their schedule that must be managed. Students may not always get into a course they have requested, due to courses that are required. Our counselors work their best to ensure student schedules best fit their individual needs in order to pursue their passion after graduation.

If you have any questions, please do not hesitate to reach out to me via email at [mfeldman@holleycsd.org](mailto:mfeldman@holleycsd.org) or via phone at 585-815-5459.

Thank you,  
Mr. Feldman
