

HOLLEY DIMENSION

WINTER 2025 • HOLLEY CENTRAL SCHOOL DISTRICT

That's How We Roll: Hawks Take Up Unified Bowling

On Oct. 21, Holley's first ever bowling team made its debut at Brockport Bowl. The new fall extracurricular is categorized as a Special Olympics Unified Sport, which brings together students with and without intellectual disabilities to compete together on the same team to promote accepting school environments.

This is the second Unified sport offered to Holley students. The school prides itself on its distinction as a Special Olympics Unified Champion School. Holley earned the title when it began offering Unified Basketball as a spring sport to high school students in 2017. Like basketball, the bowling team combined with Kendall students to enhance the impact of the program.

"Unified Bowling represents our commitment to providing inclusive opportunities for all of our students," said Dan Courtney, Holley MS/HS Athletic Director and Assistant Principal. "This is another opportunity for students to come together, have fun and be part of something special."

The program focuses on social inclusion and is built upon the notion that having something in common, such as a sport, has the power to put an end to any preconceptions and promote both friendship and understanding of differences.

"It makes me feel something very emotional inside," said ninth grade bowler Hayden Keiffer when asked about being part of

the new team. "It's about building good friendships, good sportsmanship, and being good to the other team."

This year's team had over 30 players. The season consisted of five matches and a tournament, with each match showing improvements from the last.

"It has been very exciting seeing student athletes learn and participate in a sport that can become a lifelong activity for them," said Jason Cole, Holley MS/HS math teacher and Unified Bowling coach. "It's an amazing atmosphere to be a part of."

The school looks forward to the continued growth of its Unified program.

A Message from the Superintendent

Happy New Year Holley Families!

I hope this message finds you healthy, happy, and ready for all that the new year will bring. It's hard to believe how quickly the school year is moving. I look forward to having a great winter/spring semester ahead.

Celebrating our Students

December was filled with amazing displays of student talent and passion. From our kindergarten carolers to our High School Advanced Choir, Holley students were able to share their musical talent with the community on several occasions and in locations across Orleans and Monroe counties. Our Music Department is a source of tremendous Holley Pride as they Elevate through each and every performance. I am excited to see the display of talent this spring as we bring the musical "Grease" to the stage in March!

Capital Project Update

At this time last year, we were preparing to begin construction for our latest capital improvement project. Since then, the entire campus has received updates and renovations in one form or another and we have made significant progress. The project addresses issues related to keeping our schools safe, enhancing and increasing educational opportunities for our students, and ensuring our buildings and grounds are in outstanding condition for many years to come.

It is scheduled to be completed by the fall of 2025. The Fall Dimension featured a detailed progress update and there will be more updates to come. I thank the community for its overwhelming support of this project and hope everyone has an opportunity to enjoy the upgrades and renovations to our campus.

Annual Budget Process

Each January we begin our budget process for the following school year. We will be hosting various budget workshops that coincide with our regular Board of Education meetings, which are open to the public. We will also be hosting our annual Budget Hearing, where the 2025-26 budget will be presented, on Tuesday, May 6, 2025, at 6:00 p.m. The annual Budget Vote and Board of Education Election will be held from 6:00 a.m. to 9:00 p.m. on Tuesday, May 20.

As always, thank you for your continued support. We are grateful for our community and families and are proud to be able to provide so many opportunities to the incredible students of Holley.

Have a healthy and happy new year!

Karri D. Schiavone; Superintendent of Schools

District Calendar Changes:

- The Elementary School's Spring Picture Day has been rescheduled from Thursday, March 6 to Tuesday, March 4.
- The District Band Concert has been rescheduled from Wednesday, March 26 to Monday, March 24 at 7 p.m.
- The spring Red Cross Blood Drive has been rescheduled from Wednesday, May 7 to Wednesday, April 30. Thank you to all who donated at the fall drive. Donations help fund scholarships for our students.

Pre-K and K Registration on March 12

Holley Pre-K and Kindergarten Registration for the 2025-26 school year will occur on Wednesday, March 12, from 1-5 p.m. Registration will be held in the Elementary Foyer. Please bring the following original documents to register your child: completed registration packet, birth certificate, immunization record and proof of residency (for example, utility bill). Copies will be made during your visit. You will not be able to register without these documents.

To be eligible to register for Pre-K, children must be 4 years old by December 1, 2025. To be eligible to register for Kindergarten, children must be 5 years old by December 1, 2025.

Pre-K and Kindergarten health physicals are required to be completed by September 1, 2025.

If your child currently attends Holley CSD Pre-K, you do not need to register for Kindergarten. Your Pre-K child will be automatically enrolled.

To request a registration packet be mailed to you, please scan the QR code or visit this link: <https://forms.office.com/r/NEKREkOHRD>. If you need assistance completing the registration packet, bring it in along with your other required documents on March 12, and we can help you. If you have any questions, please call Alexa Downey at 585-638-6318, extension 2580.

Q1 Honor and High Honor Roll

The Middle/High School has announced the honor roll and high honor roll for the first marking period of the 2024-25 school year. High honors are for all students who maintain a grade average of 89.5 percent or higher. Honors are for students who maintain a grade average of 84.5 to 89.4 percent. The full list of students can be found on www.holleycsd.org under the Latest News section.

Save The Date

Holley Will Bring “Grease” to the Stage;
Alum Kayla Thrower to Debut as Director

Get ready to be transported back to the 1950s. Holley Middle School/High School (MS/HS) has announced “Grease” as its 2024-25 musical production. Teacher and Holley alum Kayla Thrower has been selected as the school’s new musical director. She succeeds MS/HS teachers and siblings Dan and Kellie Burke who co-directed Holley’s musicals for over 30 years; both have now retired from the district.

Thrower is a Holley 2017 graduate who notably played the role of Ursula in the school’s 2016 production of Disney’s “The Little Mermaid”. She began teaching social studies at Holley MS/HS in 2022. Thrower previously served as musical assistant, vocal coach and head of stage crew for the school’s musical production of “Little Shop of Horrors” last year.

Holley MS/HS Chorus Teacher Kelly Marzano, who has taught at Holley since 2006, will take over the role of vocal director. Band Teacher Zach Busch will support this year’s production as pit director. “Grease” was last performed at Holley in 2017, and it was the first musical he was involved in when he began teaching in Holley that year.

To read the full announcement, visit the HCSD website’s Latest News section. **Performances will be held at the Holley MS/HS Auditorium on March 14, 2025, at 7 p.m., and March 15, 2025, at 2 p.m. and 7 p.m.** Ticket information will be shared on the HCSD website at a closer date.

HCSD Receives 2 Awards in NYSPRA Contest

The Holley Central School District received two awards in the 45th Annual NY School Public Relations Association (NYSPRA) Communications Contest. This year’s winners were in the photography category and were both awarded Merit. The images captured were of the MS/HS Geometry in Construction classes and published on the district website, social media and *Dimension*.

Future Plans and College Acceptances

Natalie Foose was accepted into Oklahoma State, St. Bonaventure and Niagara University. She was awarded an Out-of-State Achievement Scholarship from Oklahoma State, the Friars Scholarship from St. Bonaventure and the Trustees Scholarship from Niagara. She plans to major in Environmental Science and Biology. **Mackenzie Fiorito** was accepted to D’Youville University and plans to major in Physical Therapy. **Allison Merle** was accepted into SUNY Cobleskill, SUNY Morrisville and Alfred State. She received merit scholarships to all three colleges and plans to enroll in one of their animal science programs. Congratulations.

Students can scan the QR code or follow the link to share their future plans in the next Dimension:
<https://www.holleycsd.org/CollegeAcceptances.aspx>.
Make sure to check out the MS/HS Hawks Report for important monthly updates from the counseling office. It is emailed to MS/HS parents/guardians and can be found on the district website.

Holley Teacher Accepted into NYS Master Teacher Program

Holley CSD has its first Master Teacher. Sheri Girvin, high school science teacher and Holley 2001 alum, has been accepted into the New York State Master Teacher Program (NYSMTP). The NYSMTP is a four-year venture that connects K-12 science, technology, engineering and math (STEM) educators with a statewide, professional network of leaders to share

best practices for creating inspiring learning environments. She is one of approximately 1,500 teachers accepted into the program since its inception in 2013.

Girvin has worked in education since 2005 and began teaching at Holley in 2019. She currently teaches Regents Chemistry, Regents Physics, and an elective titled the Science of Food and Toys. She is a 2017 recipient of the Rising Star Award from St. John Fisher University for excellence in STEM education.

“I am looking forward to working collaboratively with other STEM educators,” said Girvin. “As the only physics and chemistry teacher in the district, it is nice to have a network to encourage my growth in the areas of pedagogy and STEM content. The program will be an invaluable resource as high school science instruction changes in NYS.”

The NYSMTP, facilitated by the State University of New York (SUNY), is not only meant to benefit students, but fellow educators, as it allows for those in the program to develop their leadership skills and share their work with teachers in their districts. Holley CSD congratulates Girvin on this prestigious achievement and looks forward to supporting her growth.

Grant-Funded Book Vending Machines Unveiled

Holley Elementary School and Middle/High School are both home to new vending machines, but not for the purpose you might think. Both schools introduced customized book vending machines, adding to the already exciting process of picking out a new book.

What's extra special about these book vending machines is that the students can earn tokens and keep the books free of cost. The district received a federal grant to purchase the vending machines. The Holley PTSA has generously pledged to help keep the machines stocked each school year.

These elementary students were the first to utilize the book vending machine after being nominated for displaying bravery.

The ES revealed its vending machine to students in November. Up until then, the vending machine had remained a mystery as it was displayed in the cafeteria wrapped in question marks to keep students guessing. When revealed, students learned that they could earn tokens for the machine through demonstrating Positivity Project traits.

"The machine will help promote both positive behavior and a love of reading," said Lisa Hendry, K-6 ELA teacher who has been working on getting a vending machine for our district for over two years. Any staff member can submit a positive behavior referral for a student. Each month, those nominated receive a certificate and a token to choose a book from the machine.

At the MS/HS, the vending machine appeared in the library wrapped in a bow with different monthly reading challenges for students to complete in order to earn tokens. It serves as an accessible option for students. "It gets us excited about reading," said 10th grader Bella Warney, the first to utilize the MS/HS machine. "At the store it would be around 20 dollars, but here we can keep the books for free."

The books are rotated throughout the year and various genres are featured. Books are chosen using student input, and from award winners highlighted by the School Library Journal, as well as recommendations from the vendor: Author's Note, a local bookstore. Library Media Specialist Karensa Reber encourages MS/HS students to come check it out.

Wolf Sisters Commit to Collegiate Soccer

On Dec. 6, Holley High School seniors Alivia and Zoey Wolf signed their letters of intent to play collegiate soccer next fall. Alivia, a defender/forward and team captain, will attend Genesee Community College (GCC). She has yet to decide on her area of study. Zoey, a defender and team captain, will attend Alfred University where she plans to study Early Childhood Education. The sisters have been a part of the Holley soccer program for the last six years. They were members of both the 2023 Section V and Far West Regional championship team. They also helped make school history as the first girls' soccer team to win a regional championship and compete in the NYS Public High School Athletic Association (NYSPHSAA) state tournament.

Alivia is a two-time Genesee Region All-Star (2022, 2024) and was named to the Section V All-Tournament Team in 2024. Zoey is a three-time Genesee Region All-Star (2022, 2023, 2024), a two-time Section V All-Tournament Team honoree (2023, 2024) and was named to the 2024 All-State Second Team.

"It has been an amazing ride with these two, being not only their coach, but also their mom," said Renee Wolf, Holley Girls' Varsity Soccer coach and high school teacher. "They have worked extra hard to be where they are, and I am beyond proud of them."

DAR Good Citizen Named

Holley senior Natalie Foose was named Holley's Good Citizen by the Daughters of the American Revolution (DAR) Orleans Chapter. This honor is given to a senior student who best exemplifies the characteristics of leadership, service, dependability, and patriotism. We are proud to have Natalie represent Holley.

Brick Secured: Holley Cheer Taking Charge

Holley Varsity Cheer is setting the standard for a new style of cheer: Game Day. On Saturday, Nov. 2, the Holley team traveled to Gates Chili High School where they competed against 14 other schools to secure the Section V Class C2 Championship Title. Holley's energy was captivating, and their bellowing chants echoed throughout the gymnasium.

It was only last year that the Game Day Cheer category was offered in Section V. This style of cheer is significantly different than Competitive Cheer. It reflects what cheerleaders do on the sidelines to engage the crowd and demonstrate school traditions. The competition routine has four sections: band chant, situational sideline, crowd cheer and band dance.

Transitioning into a new style of cheer is not an easy task, but it did not deter co-coach Heather Kelley who has coached Holley Cheer for 27 years, leading the team to three winter sectional titles in the Competitive Cheer category. "They worked hard all season, and they nailed it at sectionals," said Kelley. "To win a title on year two is something to be very proud of."

There is much more than what meets the eye when it comes to being a part of Holley's cheer program. The team competed and placed second in three competitions prior to competing at sectionals. Multiple cheerleaders participated on two athletic teams during the fall season, which served as a challenge. "We have to pay close attention to all parts of the routine, so if anything happens where we are missing a team member, we can alter the routine quickly and efficiently," said Bella Emery, a senior on the team and recipient of the Nancy Saxton Leadership Award.

"I am incredibly proud of how the team pulled together and adapted to any last-minute changes," said co-coach Katie Chilson-Foose who joined the coaching staff last year. "We will never forget the moment when Holley was announced as the winner."

Not many teams have game-day experience quite like Holley. Not only are the cheerleaders on the sidelines at every home football game, but they cheer at boys' soccer games, too, something that is not common in their region. "It takes a lot, but we have great coaches that always push us to be our best," said Natalie Foose, a senior on the team.

Congratulations to the following team members on their sectional title. Front row: Skylar Gallagher, Maggie Skehan, Bella Emery, Jose Valentin, Lorainna Jones, Natalie Foose, Michelle Lonnen. Back row: Katie Chilson-Foose (Coach), Mallory Davis, Casie Emery, Lexi Guerrero, Madison Lowell, Serenity Rath, Isla Schultz, Hailey Gonzalez, Heather Kelley (Coach).

Magical Winter Performances

Ahead of holiday recess, Holley musicians took to the stage for their annual winter concerts where they performed holiday tunes for friends and family. The MS/HS held its concert on Dec. 10 in the MS/HS Auditorium where the audience heard from Middle School Band, Middle School Chorus, Jazz Band, Concert Choir, Concert Band and Hawkappella, the advanced HS choir. The choral groups were directed by Kelly Marzano and the bands by Zachary Busch, who are both music teachers at the MS/HS. Our musicians have also been active in the community. Hawkappella performed at

the Albion's Office of the Aging Thanksgiving Luncheon and many HS choir members participated in the Eastview Mall Concert Series.

The ES held their concert on Dec. 12. The audience heard from fourth, fifth and sixth grade students in Beginner Band, Concert Band, Jazz Band and Choir. The choir was directed by Samantha Videtti and the bands were directed by Scott Wheeler, who are both music teachers at the ES. The chorus featured over 70 students this year, which is a program high.

Student-Musicians Excel

On Nov. 2, Holley eighth grader and French horn player Rosa Scroope traveled to York Central School to participate in the New York State School Music Association (NYSSMA) Zone 2 Jr. High Area All-State Festival. She was one of four musicians from Orleans County to participate in the festival and the only from Orleans in the orchestra. To be chosen for the Area All-State ensemble, students must receive a top NYSSMA solo festival score in the spring, a recommendation from their music teacher, and be selected by a committee. This is Scroope's second year being selected to participate among top instrumentalists in the region.

In December, Aidan Kelley, Nora Lindsay and Jose-Angel Valentin performed in the Gala Holiday Pops High School Chorale with the Rochester Philharmonic Orchestra at Kodak Hall's Eastman Theatre. This is the second year Jose-Angel and Aidan have participated.

Students were nominated by their teachers and had their applications reviewed alongside other Rochester-area students. Congratulations to our Holley musicians on their prestigious accomplishments.

Elementary Students of the Month

One student from every ES classroom is chosen each month for going above and beyond to demonstrate respectful, responsible and safe behaviors. Hawk Heroes are also nominated and recognized each month for demonstrating the Positivity Project trait of the month. Hawk Hero photos can be found on HCSD social media.

October

Colton Robins, Beckett Link Bedard, Liam McElwain, Julius Botello, Adam Pahman, Abigail Dukes, Paeyton Hodgins, Kady Clark, Madeleine Farrell, Gabriella Greean, Matthew Meyers, Charlotte VanAmeron, Teddy Jones, Selden Beebe, Gianna DeFilipps, Cash Satter, Lily Wing, Nathan Lutes, Isabella MacGregor, Ethan Greean, Dustin Reisman, Yantz Maximiliano Rivera, Harmony Williams, Joseph Gallert, Ma'Ciayah Harrell, James Callahan, William Kingdollar, Lilah Nuciola, Jayce Rivera, Mira Page, Irelyn Kelley, Rowan Reome and Lincoln Hills.

November

Ariya Lusk, Isabelle Logsdon, Ruthie Davis, Jane Arney, Michael Butler, Jake DeFilipps, Jule Hudzinski, Robert Scroope, Kennedy Keller, Brayden Adams, Riley Culbertson, Evalena Adams, Finn Barhydt, Gwenyth Laik, Lillian Passarell, Annabelle Neff, Madison Furness, Maggie Edmonds, Luke Niles, Charlotte Sevor, Sawyer Reed, Josephine Ferris, Colton Ries-Stock, Maverick Masters, Braelyn Rushing, Jacob Nary, Jania Richardson, Harper Reisman, Lillian Coffey, Amelia Weit, Brooklyn Butler and Brycen Spamer.

Ten Inducted into National Honor Society; Albright Thanked for 29 Years of Leadership

The Holley High School National Honor Society (NHS) held its Induction Ceremony in the MS/HS auditorium on the evening of Nov. 21 where 10 students were honored. To be considered, 11th and 12th grade students with an academic average of 90 percent or higher can submit an application to the faculty selection committee to show how they demonstrate the four pillars of NHS membership: scholarship, service, character and leadership.

Current NHS members began the ceremony with a candlelight procession from the back of the auditorium. New inductees were called forward and escorted on stage by current members. NHS officers then lit the four ceremonial candles, symbolic for each pillar of membership, and read their meanings aloud. Principal Matthew Feldman and Superintendent Karri Schiavone distributed certificates and membership pins. New inductees were then pinned by their family members before taking the NHS oath together. Inductees each signed their names in the book that maintains a record of every NHS inductee since 1938.

This year marks Russ Albright's 29th and final year as NHS advisor, as he plans to retire this school year. Students invited Steven Kelley, Holley class of 1997 alum and former NHS president, to speak at the ceremony. Kelley is a department leader and math teacher at Spencerport High School. He also has four children who attend Holley schools. Kelley was the first NHS president to serve under Albright and now, his final guest speaker, making this year's induction a truly special and full circle moment for all.

Kelley encouraged inductees to continue to do the right thing, even when no one is watching, and reminded them that the world is better with leaders like them in it. "Being a member of the National Honor Society is not just a title, but a responsibility," he said. "It is a call to continue striving for excellence, to lead with humility, to serve with a generous heart and to live with unwavering integrity."

Principal Feldman extended his appreciation for Albright. He congratulated the inductees and reminded them that they are not alone on the stage. "Look around you," he said. "When you face critics, know that there are others who are devoting themselves to a worthy cause. I am hopeful that when you graduate, you will move on to dedicate the next 29 years of your life toward a cause of leadership."

Fall Festivities

The ES held Halloween and Turkey Trot parades throughout the halls which brings lots of excitement as students cheer on their peers and show off their costumes. This is the second year the PTSA has held their Turkey Trot

fundraiser bringing many adorable turkeys and Macy's Thanksgiving Day-style floats to the halls.

Kindergarten classes and the Alternative High School each hosted their annual Thanksgiving Feasts. They enjoyed welcoming loved ones to dine with them. We thank Personal Touch Food Service for providing the food for these events.

ES Veterans Day Assembly

On Friday, Nov. 8, the Elementary School gathered for their annual Veterans Day ceremony to honor those who have served or are currently serving the Holley community. The assembly was led by student MCs, Scouts and featured performances from the ES band and chorus. The school's hallway walls were lined with many student-made tributes including a flag collage made in Ms. Ellis' art class by Ms. Papaj's 6th grade students that was donated to the Holley Legion. Bravo to all involved and a special thank you to all of our local veterans for their service.

Holley Dimension is produced with the assistance of the Communication and Technology Services (CaTS) Department at Monroe 2-Orleans BOCES.

Mission Statement

We, the students, parents, staff and community of the Holley Central School District, will work together to provide the opportunity and means for all students to acquire the skills, knowledge and attitudes to become responsible and productive citizens in a diverse and changing society. The ideal is to instill a passion for lifelong learning.

HCS D Strategic Plan

We encourage you to take the time to explore the HCS D 2024-29 Strategic Action Plan. Visit our website (www.holleycsd.org/StrategicPlan.aspx) or scan the QR code.

The plan serves as our roadmap to continued improvement and student success. It includes our core values as a district as well as our commitments to the students, families and community. These values and commitments are the lens through which we make all of our decisions. If you are interested in being part of HCS D's continued improvement and growth, we invite you to join our District Improvement Plan Committee.

Students Give Back

EarlyAct and Interact members have been busy with community projects. Interact Club members visited elementary classrooms to help make cards to send to local heroes for Veterans Day. EarlyAct made cards for veterans and spent time making ornaments, bracelets and cards for local nursing home residents for the holidays. They also collected donations and assembled homeless necessity bags for those in need. Both clubs are sponsored by Holley Rotary Club.

While volunteering is not a requirement of our athletic programs, there are many teams that take the time to go above and beyond each season when they can. During the fall season, Varsity Cheerleading and Varsity Boys and Girls Soccer volunteered at the Empire State Games for the Physically Challenged where they served as buddies and assisted athletes. JV and Varsity Volleyball participated in a Breast Cancer Awareness Game at Kendall to raise funds for the American Cancer Society. Varsity Girls Soccer hosted a Breast Cancer Awareness Game and raised funds for the American Cancer Society and collected donations for Hurricane Milton relief efforts. Thank you to our coaches and parents who help organize these opportunities and continue to demonstrate the importance of giving back to the community.
