

CENTRAL CATHOLIC LOCKER ROOM RENOVATION

The film watching room isn't just a place to analyze games; it's a spot where athletes come together, learn, and draw inspiration from the collective journey of sportsmanship. It's a space that embodies the school's commitment to holistic athletic development, fostering not only physical prowess but also strategic acumen and teamwork.

For visiting teams and guests, we will offer top-notch accommodations in our guest locker rooms. Equipped with the same level of excellence as our main facilities, visiting athletes will feel welcomed and motivated to perform at their best.

Our training room will be a hub of readiness and rehabilitation. Fitted with the latest equipment, our athletes will receive personalized attention from a full-time certified trainer. From injury prevention to performance enhancement, this space will be dedicated to ensuring our athletes reach their full potential in a safe and supportive environment.

The coaches' office/officials room is a space for strategic planning and relaxation. Furnished with comfortable seating, cutting-edge technology for game analysis, and a thoughtfully curated atmosphere, this room will allow our coaching staff to collaborate and prepare for success.

WHAT'S IN STORE

Welcome to what will be our newly renovated locker room facility. A cutting-edge space designed to elevate the athletic experience to unprecedented heights. Our facility will undergo a transformative renovation, ensuring that every aspect caters to the comfort, functionality, and well-being of our student-athletes.

Step into a realm of modernity with brand new, meticulously crafted lockers. The sleek design not only enhances functionality but also adds a touch of sophistication to the space.

Our newly designed restrooms will provide a clean and comfortable environment for athletes to freshen up before and after their rigorous training sessions. With modern fixtures, spacious layouts, and accessibility in mind, these restrooms are a reflection of our commitment to the overall well-being of our students.
