## **High School Essay Questions**

Please select one of the essay questions below. Your essay may be between 200 and 300 words.

### **Question #1**

What do you feel is the greatest challenge facing the Catholic Church today? How might you recommend that this challenge be addressed?

### **Question #2**

Read the Parable of the Good Samaritan (Luke 10:25-37). Define what a neighbor means. Is this term bound by geography, ideology or social class, or is it boundless? Explain the actions you can take in your life towards a group or individual (your "neighbor") to extend mercy and compassion towards them.

### **Question #3**

As you often see in Catholic churches today, the vast majority of attendees at Mass are from older generations. Why do you think this is, and what do you feel the Church can do to inspire younger Catholics to remain dedicated to their faith as they grow older and venture out on their own?
