

## KID CONNECTIONS 2019

The Mercer County Educational Service Center is pleased to announce Kid Connections will be held again this summer. Kid Connections is a day camp learning experience for students in Mercer County who have completed kindergarten, first, or second grade.

This year's program will focus on a **Trip to Japan**. The Kid Connections' Coordinator, Beth Smalley, has developed a thematic unit, which will include mathematics, science, creative expression, reading, writing, art, and music. There will be 25 students in each class. Assisting Beth Smalley will be another early childhood teacher, Stacey Gibbons, who teaches at Creative Discovery Preschool. Also assisting will be one very qualified aide, Gina Evers, who is a classroom aide for the Mercer County Educational Service Center.

There will be four sessions of Kid Connections. The first session will be June 3-7, the second session will be June 10-14, the third session will be June 17-21, and the fourth session will be June 24-June 28. The daily sessions will begin at 9:30 a.m. and end at 2:00 p.m. Participants of Kid Connections may choose the week most convenient for them.

The camp fee is \$80.00. This is to be paid when you receive your acceptance notification. **Do not send a check at this time.** Parents of participants will receive an acceptance notification that will include additional information.

Kid Connections will meet at Immaculate Conception Parish Activity Center in Celina.

Each camper must supply his/her own lunch each day. Refrigeration is not available.
