# 2024 HOLIDAY CARD CONTEST WINNERS

Come along, make a snowman with me!

You'll collect the coal, and I'll roll the snow,  
wrapped up from head to toe.

Boots, jackets, scarves, and gloves,  
yet our ears are still bitten with frost!

After, we'll gather 'round the fire,  
cuddled under blankets as we retire.

A hot cup of cocoa ought to do us good.  
As the fire roars, we'll watch a festive movie or two,  
and converse of all the joy and spirit  
that make us smile from ear to ear.

So have a merry holiday,  
whichever one you celebrate.

Christmas or Kwanzaa, Hanukkah or Yule, Las Posadas or other.

As long as we're together, we'll have some cheer!
